

# Stax Block 1

[Shooting Accessories](#) > [Duty Gear](#)

The OBi Stax Block 1 is a versatile and efficient tool for organizing your reloading dies and accessories, helping to keep your reloading room clean and orderly. As the most commonly used block in the Die Stax System, it holds up to 1 reloading dies and accommodates a combination of up to 1 Allen wrenches or decapping pins.

1. Die Organization: Securely organizes up to 1 reloading dies.
2. Accessory Storage: Holds up to 1 Allen wrenches or decapping pins for added convenience.
3. Flexible Mounting: Designed to be mounted on the Stax Bar for wall installation or countertop use.
4. Seamless Compatibility: Works with all other Stax products, allowing for easy expansion.

Important Notes: System Requirements: Requires at least one Stax Bar and one or more Stax Blocks to create your organization system. Countertop Stability: For countertop use, at least one Stax Drop is needed.

# Stax Block 1 Safety Instruction Guide

## Introduction

Thank you for choosing the OBi Stax Block 1. This versatile tool is designed to help you organize your reloading dies and accessories efficiently. To ensure safe and effective use of this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- **Product Safety:** Ensure safe use by following all instructions provided. This product is designed for nonfood purposes and should be used accordingly.
- **Enhanced Recalls:** Stay informed about any product recalls. If notified, follow the instructions provided for returns or remedies.
- **Online Shopping:** If purchased online, ensure that the platform meets safety requirements. Always check for product safety information before purchase.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach to prevent accidents.
- **EU Contact Point:** For safety inquiries, please refer to the contact information provided by the retailer or manufacturer.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on product safety and recalls.

## Specific Safety Precautions for Use

- **Avoid Overloading:** Do not exceed the specified capacity of the Stax Block 1. It is designed to hold up to 1 reloading die and a combination of up to 1 Allen wrench or decapping pin.
- **Stable Setup:** Ensure that the Stax Block 1 is mounted securely on the Stax Bar or placed on a stable countertop to prevent tipping or falling.
- **Inspect Regularly:** Check the product regularly for any signs of wear or damage. Do not use if damaged.
- **Use as Intended:** Only use the Stax Block 1 for organizing reloading dies and accessories. Avoid any other use that could pose a risk of injury.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure you have at least one Stax Bar for mounting.
- For wall installation, use appropriate mounting hardware (not included) to secure the Stax Bar to the wall.
- Attach the Stax Block 1 to the Stax Bar, ensuring it is securely fastened.
- For countertop use, place the Stax Block 1 on a flat and stable surface.

### 2. Usage:

- Load your reloading dies into the Stax Block 1, ensuring they are securely positioned.
- Store Allen wrenches or decapping pins in the designated areas, ensuring they do not exceed the specified capacity.
- Regularly check to ensure all items are securely stored and the block remains stable during use.

## Disposal Instructions

- Dispose of the Stax Block 1 responsibly at the end of its life cycle.
- Check local regulations for proper disposal methods of plastic and metal materials.

- Do not dispose of in regular household waste if local guidelines specify otherwise.

## **Contact Information for Further Support**

For any questions or concerns regarding the Stax Block 1, please refer to the manufacturer's contact information provided at the point of purchase.

By following these guidelines, you can ensure safe and effective use of your OBi Stax Block 1. Thank you for your attention to these important safety instructions.
