

Stax Drop/Blushing - Stax Blushing

[Shooting Accessories](#) > [Duty Gear](#)

The OBi Stax Bushing is a compact and efficient addition to the Die Stax System, designed to keep essential reloading components neatly organized. Ideal for managing small parts, it helps maintain order in your reloading room.

Compact Organization:

1. Holds up to 2 neck bushings.
2. Secures 1 expander ball.
3. Organizes up to 2 Allen wrenches or decapping pins.
4. Flexible Mounting: Designed for use with the Stax Bar, allowing wall mounting or countertop placement.
5. System Compatibility: Fully compatible with all other Stax products, including Stax Blocks and Stax Drops, for a customizable setup.

NO IMAGE
AVAILABLE

Important Notes: System Requirements: Requires at least one Stax Bar and one or more Stax Blocks to complete the system. Countertop Stability: For countertop use, a Stax Drop is required for proper support.

Safety Instruction Guide for OBi Stax Bushing

Introduction

Thank you for choosing the OBi Stax Bushing, a vital component designed to enhance your reloading experience by keeping your workspace organized. This guide provides essential safety instructions to ensure safe and effective use of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- **Product Safety:** Ensure safe use of the OBi Stax Bushing by following the provided instructions. This product is designed for nonfood use and should not be used for any other purpose.
- **Enhanced Recalls:** Stay informed about any recall notices or safety updates related to the OBi Stax Bushing. In the event of a recall, remedies will be provided at no cost.
- **Online Shopping:** If purchased online, ensure the platform complies with safety requirements similar to those of physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors to avoid accidents.
- **EU Contact Point:** For any safety inquiries or concerns, refer to the designated EU contact point for assistance.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on product safety and potential hazards.

Specific Safety Precautions for Use

- **Avoid Overloading:** Do not exceed the recommended capacity of the OBi Stax Bushing. It is designed to hold up to 2 neck bushings and 1 expander ball.
- **Secure Mounting:** Ensure that the bushing is securely mounted using the Stax Bar to prevent accidents or damage.
- **Inspect Regularly:** Routinely check the bushing for any signs of wear or damage. Replace if necessary.
- **Proper Handling:** Handle the product with care to avoid injury. Use appropriate tools when necessary.
- **Follow Manufacturer Instructions:** Always adhere to the instructions provided in this guide for safe and effective use.

Instructions for Installation and Usage

1. Installation:

- Ensure you have at least one Stax Bar and one or more Stax Blocks for proper installation.
- Choose a suitable location for mounting the Stax Bushing, either on a wall or countertop.
- If using on a countertop, ensure a Stax Drop is in place for proper support.
- Securely attach the bushing to the Stax Bar using the provided mounting hardware.

2. Usage:

- Organize your reloading components by placing up to 2 neck bushings, 1 expander ball, and up to 2 Allen wrenches or decapping pins in the designated slots.
- Regularly check that all components are securely in place and not overloaded.
- Keep the area around the bushing clean and free of unnecessary items to maintain safety.

Disposal Instructions

- Dispose of the OBi Stax Bushing in accordance with local regulations.
- If the product is damaged beyond repair, ensure it is disposed of in a manner that prevents

environmental harm.

- Recycle any components if possible, following your local recycling guidelines.

Contact Information for Further Support

For further assistance or inquiries regarding the OBi Stax Bushing, please refer to the appropriate support channels available in your region.

By following these guidelines, you will ensure a safe and effective experience with your OBi Stax Bushing. Thank you for your attention to safety!
