

Stax Drop/Blushing - Stax Drop

[Shooting Accessories](#) > [Duty Gear](#)

The OBi Stax Drop is an essential component of the Die Stax System, designed to provide support for your Die Stax setup when resting on a countertop. By supporting the front of the Stax Blocks, it ensures stability and keeps your reloading system securely in place.

1. Countertop Support: Provides front-side stability for the Die Stax when used on a countertop.
2. Flexible Integration: Attaches the Stax Bushing to other Stax Blocks, allowing seamless system expansion.
3. System Compatibility: Fully compatible with all other Stax products, ensuring a cohesive and functional setup.

Stax Drop Safety Instruction Guide

Introduction

Thank you for choosing the OBi Stax Drop, an essential component of the Die Stax System. This guide provides important safety information and instructions to ensure safe and effective use of the Stax Drop. Please read this guide carefully before installation and use.

General Safety Guidelines

- **Product Safety:** Always ensure the safe use of the Stax Drop and other nonfood products.
- **Enhanced Recalls:** Stay informed about any product recalls by checking the EU Safety Gate platform regularly.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety requirements.
- **Special Consumer Focus:** Extra caution is advised for vulnerable groups, such as children, when using this product.
- **EU Contact Point:** For any safety inquiries, ensure you have access to the EU-based contact for support.
- **Rapid Alerts:** Be aware of updates regarding unsafe products through the Safety Gate system.

Specific Safety Precautions for Use

- **Installation Precautions:**
 - Ensure that the Stax Drop is installed correctly to prevent instability.
 - Do not exceed the recommended load capacity of the Stax system.
- **Usage Precautions:**
 - Always use the Stax Drop on a stable and level surface.
 - Do not place heavy or unstable items on top of the Stax Blocks without proper support.
 - Regularly check the stability of the setup before each use.
- **General Handling:**
 - Handle the Stax Drop with care to avoid damage.
 - Keep the product away from moisture and extreme temperatures.
- **Child Safety:**
 - Keep the Stax Drop and associated components out of reach of children.
 - Educate older children about safe handling if they are involved in the reloading process.

Instructions for Installation and Usage

1. Installation Steps:

- Ensure you have at least one Stax Bar and one or more Stax Blocks for a complete organization system.
- Position the Stax Drop on a clean, dry countertop.
- Attach the Stax Bushing to the Stax Drop, ensuring a secure fit.
- Connect the Stax Drop to the Stax Blocks, ensuring that they are properly aligned.

2. Usage Steps:

- Check that the Stax Drop is stable before placing any items on it.
- Place your Die Stax setup on top of the Stax Drop, ensuring the front of the Stax Blocks is supported.
- Regularly inspect the setup for any signs of wear or instability.

Disposal Instructions

- Dispose of the Stax Drop responsibly, following local regulations for product disposal.
- Do not dispose of the Stax Drop in regular household waste if it contains hazardous materials.
- Consider recycling options where available to minimize environmental impact.

Contact Information for Further Support

For any further questions or support regarding the Stax Drop, please refer to the appropriate EUbased contact point or the place of purchase. It is important to have access to support for any safety inquiries or product issues.

By following these guidelines and instructions, you can ensure a safe and effective experience with the OBi Stax Drop. Thank you for your attention to safety!
