# Oryx Accessories Side Panels with MLOK Safety Instruction Guide

## Introduction

Thank you for choosing the Oryx Accessories Side Panels with MLOK. This guide provides important safety instructions and information to ensure the safe and effective use of your product. Please read this guide thoroughly before installation and use.

## General Safety Guidelines

- Ensure that all components are intact and free from damage before use.
- Keep the product out of reach of children and vulnerable individuals.
- Follow all installation instructions carefully to avoid hazards.
- Always inspect the product for wear and tear before each use.
- If you notice any defects or issues, discontinue use immediately and contact the manufacturer.

## Specific Safety Precautions for Use

- **Installation Warning:** Improper installation may lead to equipment failure or injury. Follow the installation instructions precisely.
- **Weight Limit:** Do not exceed the recommended weight limits for attachments. Overloading can compromise stability and safety.
- **Environmental Considerations:** Avoid exposing the side panels to extreme temperatures or harsh chemicals, as this may affect performance.
- **Regular Maintenance:** Periodically check the side panels and mounting hardware for tightness and integrity. Replace any worn or damaged parts.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and components.
- Ensure you are working in a clean, dry area.

### 2. Installation:

- Locate the installation screws on your MDT Oryx Chassis System.
- Align the side panels with the installation screws.
- Secure the side panels using the provided hardware, ensuring they are tightly fastened.
- If using MLOK accessories, follow the specific instructions for attaching these items.

### 3. Usage:

- Once installed, test the stability of the side panels by applying gentle pressure.
- Attach MLOK accessories as desired, ensuring they are securely fastened.
- Regularly check the integrity of the installation and the attached accessories during use.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, consider recycling options for plastic and metal components.

## **Contact Information for Further Support**

For any questions or concerns regarding the Oryx Accessories Side Panels with MLOK, please refer to the manufacturer's contact information provided with your product packaging.

By following these guidelines, you can ensure a safe and enjoyable experience with your Oryx Accessories Side Panels with MLOK. Thank you for your attention to safety and proper use.
