

# Forend Weights - MDT Interior Forend Weights - ACC - 4 Pack - BLK

[Rifle Parts](#) > [Stock Parts](#) > [Stock Hardware](#) > [Weights](#)

Enhance your shooting stability with the MDT Interior Forend Weights, designed to add internal weight to your MDT ACC Premier GEN1, ACC Premier GEN2, and ACC Elite Chassis. These case-hardened steel weights help balance your rifle for improved control, especially during precision shooting and long-range engagements.

1. Compatible with ACC Premier GEN1, GEN2, and Elite Chassis
2. Easy Installation – No need to remove your barreled action. Simply slide the weights into the forend channel and secure them in place.
3. Adjustable Balance – With up to 5 weights on the GEN1 and Elite forends, and 4 weights on the GEN2, you can add up to 2.6 lbs to your chassis system.
4. Precision Tuning – The weights can be positioned in 20mm ( $\frac{3}{4}$ " ) increments to fine-tune your rifle's balance point for optimal performance.

# MDT Interior Forend Weights Safety Instruction Guide

## Introduction

Thank you for choosing the MDT Interior Forend Weights. These weights are designed to enhance your shooting stability by adding internal weight to your MDT ACC Premier GEN1, GEN2, and Elite Chassis. This guide provides essential safety instructions to ensure the safe and effective use of this product, in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure safe use of the product by following the instructions provided.
- Be aware of potential hazards, including:
  - Improper installation which may lead to loss of control during shooting.
  - Weights that may become loose if not secured properly.
- Always inspect the product before use to check for any visible damage or defects.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe product incidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when using your rifle.
- Ensure that your rifle is unloaded before installing the weights.
- Do not exceed the recommended weight limits for your specific chassis system:
  - Up to 2.6 lbs for GEN1 and Elite forends.
  - Up to 2.6 lbs for GEN2 forends.
- When adjusting weights, ensure they are securely fastened to prevent them from shifting during use.
- Do not use the weights if they show signs of wear or damage.
- Avoid using the product in adverse weather conditions that may affect performance or safety.

## Instructions for Installation and Usage

### Installation Steps

#### 1. Preparation:

- Ensure your rifle is unloaded and in a safe position.
- Gather the MDT Interior Forend Weights and any necessary tools.

#### 2. Sliding Weights into the Forend Channel:

- Locate the forend channel of your MDT ACC chassis.
- Slide the weights into the channel carefully, ensuring they fit snugly.

#### 3. Securing Weights:

- Use the provided securing mechanism to hold the weights in place.
- Make sure the weights are firmly attached and do not move when tested.

#### 4. Adjusting Balance:

- Position the weights in 20mm ( $\frac{3}{4}$ " ) increments to achieve the desired balance.

- Test the rifle's balance before proceeding to shoot.

## **Usage Guidelines**

- Always check the installation of the weights before each shooting session.
- Familiarize yourself with the new balance and handling characteristics of your rifle.
- Practice shooting in a controlled environment to adapt to the changes in weight distribution.

## **Disposal Instructions**

- Dispose of the MDT Interior Forend Weights responsibly.
- Follow local regulations for the disposal of metal products.
- Consider recycling options to minimize environmental impact.

## **Contact Information for Further Support**

For any questions or concerns regarding the MDT Interior Forend Weights, please refer to the manufacturer's contact details provided in the product packaging or on the official website.

Thank you for your attention to these safety instructions. Enjoy enhanced stability and precision with your MDT Interior Forend Weights.
