

# Chassis Oryx - MDT Chassis - Oryx - Howa 1500 - LA - 3.850 - RH - BLK

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The ACC (Adjustable Core Competition) Chassis was created with an integrated weight management system, allowing shooters to fine tune the weight and balance point of the rifle. The adjustability comes from a series of weights that can be added to either the buttstock, interior forend or exterior forend. It's original weight of 2,7 kg transforms into a maximum of 5,6 kg (chassis only - add on your action, barrel, scope and accessories and most shooters are pushing 12-14 kg in the ACC).

NO IMAGE  
AVAILABLE

- 17" of available ARCA/RRS dovetail, with retention screw so that accessories don't fall off mid-stage.
- Comes with the MDT Elite Grip.
- Uses MDT's proprietary XTN buttstock interface (adjustable stock included).
- Compatible with AICS style magazines (sold separately).
- Interior forend weights, exterior M-Lok weights and buttstock weights available.

# MDT Chassis Oryx Safety Instruction Guide

## Introduction

Thank you for choosing the MDT Chassis Oryx for your Howa 1500 rifle. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of the product. Please read this document carefully before using the chassis to understand its features and safety precautions.

## General Safety Guidelines

- Always ensure that the rifle is unloaded before handling or installing the chassis.
- Keep the chassis and all associated components out of reach of children and unauthorized users.
- Regularly inspect the chassis for any signs of wear or damage before each use.
- Familiarize yourself with all components of the chassis and their functions.
- Use the chassis only for its intended purpose, which is to support the Howa 1500 rifle.
- Follow all local laws and regulations regarding firearm safety and handling.

## Specific Safety Precautions for Use

- Ensure that all weights are securely attached before using the chassis to prevent accidents.
- Do not exceed the maximum weight limit of 5.6 kg for the chassis alone.
- When adding accessories, ensure they are compatible and securely mounted to avoid detachment during use.
- Always use the chassis in a safe environment, free from distractions and hazards.
- Wear appropriate safety gear, including eye protection, when using the rifle with the chassis.
- Be aware of your surroundings and ensure a safe backdrop when firing the rifle.

## Instructions for Installation and Usage

### 1. Installation of the Chassis:

- Carefully remove the chassis from its packaging.
- Ensure the rifle is unloaded and secure.
- Align the rifle action with the chassis interface and carefully insert it.
- Secure the action using the provided screws, ensuring a tight fit without overtorquing.
- Attach the MDT Elite Grip to the chassis, ensuring it is properly secured.

### 2. Weight Adjustment:

- Determine the desired weight and balance point for your shooting style.
- Add or remove weights from the buttstock, interior forend, or exterior forend as needed.
- Ensure all weights are tightly secured after adjustment.

### 3. Accessory Attachment:

- Utilize the 17" ARCA/RRS dovetail for attaching accessories.
- Use the retention screw to secure accessories and prevent them from falling off during use.

### 4. Usage:

- Always perform a safety check before firing.
- Maintain proper shooting posture and grip when using the rifle with the chassis.
- After use, ensure the rifle is unloaded and store the chassis in a safe location.

## **Disposal Instructions**

- Dispose of the chassis and any associated components in accordance with local regulations.
- Do not dispose of the chassis in regular household waste.
- Consider recycling options for materials where possible.

## **Contact Information for Further Support**

For any inquiries regarding safety, usage, or product support, please refer to the contact information provided by the manufacturer or authorized distributor. It is essential to reach out for assistance should you have any concerns or questions about the MDT Chassis Oryx.

## **Conclusion**

By following these safety instructions and guidelines, you can ensure the safe and effective use of your MDT Chassis Oryx. Your safety and the safety of those around you is paramount. Always prioritize safety and responsible handling when using firearms and their accessories. Thank you for choosing MDT.
