Turn Your Factory Rifle Into a Long-Range Contender

Get more accuracy and consistency out of your factory rifle with the Field Stock—a no-nonsense upgrade built for real-world performance. The traditional polymer design delivers ergonomic comfort and stays warm even in harsh, cold-weather conditions.

Inside, a precision-machined aluminum V-block anchors your action solidly in place, while the free-floating barrel ensures repeatable long-range performance. The adjustable buttstock fine-tunes your length of pull and cheek weld—giving you rock-solid consistency shot after shot.

Modular. Versatile. Ready for Anything. Whether you're hitting steel at distance, chasing game in the backcountry, or setting up in a blind, the Field Stock adapts to your mission.

NO IMAGE
AVAILABLE

1. M-LOK Forend – Mount bipods, ARCA rails, or barricade stops where you need them
2. Sling Swivel Studs – Attach a sling or hunting bipod out of the box
3. AICS Magazine Compatible – Load up and run reliable detachable mags
4. Adjustable Cheek Riser & LOP Spacers – Maintain perfect head alignment and target acquisition

No fluff. No gimmicks. Just the upgrades you need to shoot better. From competition to hunting, the Field Stock delivers the control, comfort, and modularity you need to shoot with confidence—every time.

MDT Chassis Field Stock CZ 455 Safety Instruction Guide

Introduction

Thank you for choosing the MDT Chassis Field Stock CZ 455. This product is designed to enhance the performance of your factory rifle while ensuring safety and comfort during use. Please read this safety instruction guide carefully to understand how to use this product safely and effectively.

General Safety Guidelines

- Always treat your rifle as if it is loaded.
- Ensure that the rifle is pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Store your rifle and ammunition separately and securely.
- Be aware of your surroundings and ensure that you have a clear line of sight before firing.
- Follow all local laws and regulations regarding firearm usage.
- Regularly inspect your equipment for any damage or wear.
- Always wear appropriate safety gear, including eye and ear protection.

Specific Safety Precautions for Use

- **Modular Design:** The MDT Chassis is designed for modular use. Ensure all components are securely attached before use to avoid accidents.
- **Adjustable Features:** When adjusting the buttstock or cheek riser, do so while the rifle is pointed in a safe direction. Make adjustments slowly to avoid sudden movements.
- **MLOK Forend:** When attaching accessories to the MLOK forend, ensure they are properly mounted and will not interfere with the operation of the rifle.
- **Sling Swivel Studs:** Ensure that slings or bipods are securely attached and do not obstruct the trigger or safety mechanisms.
- **AICS Magazine Compatibility:** Only use compatible magazines as specified in the product documentation. Ensure magazines are seated properly before use.
- **Cold Weather Use:** The polymer design remains warm in cold conditions; however, be cautious of any potential frostbite on exposed skin when handling in extreme temperatures.

Instructions for Installation and Usage

1. Installation of the MDT Chassis

- Ensure your rifle is unloaded and pointed in a safe direction.
- Remove the factory stock from your CZ 455 rifle.
- Align the action of your rifle with the precisionmachined aluminum Vblock in the MDT Chassis.
- Secure the action using the provided screws, ensuring that it is firmly anchored in place.
- Attach the adjustable buttstock and cheek riser as per the installation instructions.

2. Adjusting the Buttstock and Cheek Riser

- To adjust the length of pull, loosen the adjustment knob and slide the buttstock to the desired length. Tighten the knob securely.
- For the cheek riser, loosen the screws, position it for optimal comfort and alignment, and then tighten the screws.

3. Using the MLOK Forend

- Select the desired accessory (bipod, rail, etc.) and align it with the MLOK slots.
- Insert the appropriate mounting hardware and tighten securely.

4. Loading and Using the AICS Magazine

- Ensure the rifle is pointed in a safe direction.
- Load the AICS magazine according to the manufacturer's instructions.
- Insert the magazine into the rifle until it clicks into place.

5. Safety Checks Before Use

- Perform a safety check to ensure the rifle is functioning properly and that all components are secure.
- Check that the safety mechanism is engaged until you are ready to fire.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact local waste management authorities for guidance on the proper disposal of firearm accessories and materials.

Contact Information for Further Support

For any inquiries regarding safety or product information, please refer to the official website or contact your local dealer for assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your MDT Chassis Field Stock CZ 455. Always prioritize safety and responsible handling of firearms.
