# Safety Instruction Guide for MDT Accessories

## LowProfile Cheek Piece SRSX Elite BLK

### Introduction

Thank you for choosing the MDT Accessories LowProfile Cheek Piece for the SRSX Elite. This product is designed to enhance your shooting experience by providing a stable and comfortable cheek weld. To ensure your safety and the optimal performance of this product, please read this safety instruction guide carefully.

### General Safety Guidelines

- Ensure that you are familiar with the operation and handling of your firearm before using this product.
- Always treat your firearm as if it is loaded, even if you believe it is not.
- Store the product and your firearm in a secure location, away from children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage before each use.
- Follow all local laws and regulations regarding firearm accessories and usage.

### Specific Safety Precautions for Use

- Do not use the product in conditions that could impair your ability to safely operate your firearm, such as under the influence of drugs or alcohol.
- Avoid using the product in extreme weather conditions that could affect its performance or your safety.
- Ensure that any devices mounted on the Picatinny rail do not obstruct your view or interfere with the safe operation of your firearm.
- Be aware of your surroundings and ensure that you have a clear and safe shooting area before using the product.
- If you experience any issues or malfunctions while using the product, cease use immediately and seek assistance.

### Instructions for Installation and Usage

#### Installation

1. **Preparation:** Ensure that your firearm is unloaded and safe to handle.
2. **Positioning:** Align the MDT ACC Elite NV Bridge with the Picatinny rail on the top of the forend.
3. **Attachment:** Securely attach the NV Bridge using the provided screws and tools. Ensure that all screws are tightened to prevent movement during use.
4. **Device Mounting:** Attach your night vision, thermal imaging, or other devices to the NV Bridge as per the manufacturer's instructions for those devices.
5. **Final Check:** Once installed, check that the NV Bridge and any attached devices are secure before use.

#### Usage

- Adjust your cheek position for comfort and optimal sight alignment when aiming.
- Regularly check the tightness of the NV Bridge and any mounted devices during use.
- If you notice any movement or looseness, stop using the product and tighten as necessary.

### Disposal Instructions

- Dispose of this product in accordance with local regulations regarding electronic and plastic waste.
- If the product is damaged beyond repair, ensure it is disposed of safely to prevent any injury or environmental harm.

## **Contact Information for Further Support**

For further assistance regarding safety inquiries or product support, please refer to the manufacturer's contact information provided in the product packaging or visit their official website.

By following these safety instructions, you can ensure a safe and enjoyable experience with your MDT Accessories LowProfile Cheek Piece. Always prioritize safety and responsible firearm handling.
