## **EVERYDAY WARRIOR T-SHIRT**

The Everyday Warrior T-Shirts are made for the ones who show up, every day. Made from soft yet tough 180 g/m<sup>2</sup> 100% cotton single jersey with a silicone finish, it feels good against the skin and holds up to whatever the day brings. It's a slim, sporty cut with side seams for a better fit that moves with you, not against you. Make sure to check the attached size chart to find your best fit. The narrow 1:1 ribbed neckline with a touch of elastane keeps its shape, while reinforced shoulder seams and a shell fabric tape inside the neck make sure it lasts - even if you're tough on your gear. Light, flexible, and tough where it counts - just like the people who wear it.

## **FRIJA - DRESS FOR DESTINY**

We believe that every day is an opportunity to shape your destiny. This belief is woven into our Frija ['frijə] product line, which offers everyday clothing that not only look good but also empower you to live boldly.

Named after Frija, the Germanic goddess who weaves the fates, our collection embodies her wisdom, love and protection. These pieces are more than just clothes; they're a form of expression, crafted to bring out the strength and potential within you.

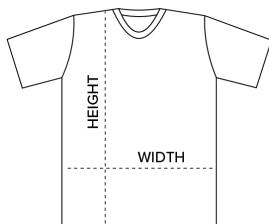

Although we refer to her as Frija, our northern neighbours favour the name Frigg.

Interestingly, did you know that the weekday name of Friday is derived from this very deity? The Frija product line blends comfort with style, creating versatile wear for any occasion.

It's designed to support you, whether you're tackling challenges or enjoying life's pleasures, reminding you of your capabilities and dreams.

It's about making a statement with what you wear, showing the world who you are and where you're headed. We believe in dressing for the life you want to live and the legacy you wish to leave.

In life's journey, where every day is a step towards your destiny, the Frija product line is your companion, encouraging you to 'Dress for Destiny'.
