

DeadShot Tripod

[Shooting Accessories](#) > [Bipods, Monopods & Accessories](#) > [Bipods](#)

Forget heavy, bulky, and unstable shooting supports! The DeadShot® Tripod combines lightweight design, practicality, and top-tier quality in one package. Built from durable aluminum, it's perfect for any environment—whether you're out in the field, hunting from cover, or taking a shot in open terrain.

This tripod features a comfortable foam grip for warmth and comfort, along with quick-adjust twist locks that allow effortless height adjustment with a single motion. Plus, the rubberized BOG shooting rest ensures maximum stability and precise aiming.

DeadShot Tripod Safety Instructions

Introduction

Thank you for choosing the DeadShot® Tripod. This guide provides important safety information to ensure the safe and effective use of your tripod. Please read and follow these instructions carefully to avoid any potential hazards.

General Safety Guidelines

- Ensure the tripod is set up on a stable and level surface to prevent tipping.
- Regularly inspect the tripod for any signs of wear or damage before each use.
- Do not exceed the maximum height or load capacity of the tripod.
- Keep the tripod away from children and vulnerable individuals to prevent accidental injury.
- If you notice any unusual sounds or instability during use, discontinue use immediately and inspect the tripod.

Specific Safety Precautions for Use

- **Height Adjustment:**
 - Use the quickadjust twist locks to change the height. Ensure all locks are securely fastened before use.
- **Shooting Rest:**
 - Always check that the rubberized BOG shooting rest is properly positioned before taking a shot.
- **Foam Grip:**
 - The foam grip is designed for comfort; however, avoid excessive force that may damage the grip.
- **Transporting the Tripod:**
 - When transporting, ensure the tripod is collapsed and secured to prevent accidental opening.
- **Weather Conditions:**
 - Avoid using the tripod in extreme weather conditions (high winds, heavy rain) that may compromise stability.

Instructions for Installation and Usage

1. Setting Up the Tripod:

- Unpack the tripod and lay it on a flat surface.
- Extend the legs to the desired height using the quickadjust twist locks.
- Ensure each leg is locked in place before proceeding.

2. Using the Tripod:

- Position your camera or equipment on the rubberized BOG shooting rest.
- Adjust the height as necessary, ensuring all locks are secure.
- Take your shot while maintaining a steady grip on the foam handle for stability.

3. Packing Up:

- After use, carefully remove any equipment from the tripod.
- Collapse the legs by loosening the twist locks and folding them back into a compact position.
- Store the tripod in a dry, cool place to maintain its durability.

Disposal Instructions

- Dispose of the DeadShot® Tripod in accordance with local regulations regarding aluminum and plastic waste.
- If the tripod is damaged beyond repair, consider recycling the materials where possible.

Contact Information for Further Support

For any safety inquiries or concerns regarding the DeadShot® Tripod, please refer to the manufacturer's contact information provided with your product packaging.

Thank you for prioritizing safety while using the DeadShot® Tripod. Enjoy your shooting experience!
