Safety Instructions for BOG DeadShot Compact Standing Bipod

Introduction

Thank you for choosing the BOG DeadShot Compact Standing Bipod. This guide provides important safety instructions and usage guidelines to ensure your safe and effective use of the product. Please read this document carefully before using the bipod.

General Safety Guidelines

- Always check the bipod for any visible damage or wear before each use.
- Ensure the bipod is set up on stable ground to avoid tipping or falling.
- Do not exceed the weight limit specified by the manufacturer.
- Avoid using the bipod in adverse weather conditions, such as strong winds or heavy rain.
- Keep the bipod away from children and pets when not in use.
- Report any unsafe product incidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Identification of Potential Hazards:**

- Risk of injury from falling equipment if the bipod is not securely positioned.
- Risk of damage to the bipod if used improperly or in unsuitable conditions.

- **Instructions for Avoiding Hazards:**

- Always ensure that the bipod is fully extended and locked before use.
- Do not use the bipod on uneven or unstable surfaces.
- Avoid placing heavy items on the bipod that exceed its weight capacity.

- **Age Specific Warnings:**

- This product is not intended for use by individuals under the age of 18 without adult supervision.

Instructions for Installation and Usage

1. Setting Up the Bipod:

- Unfold the bipod legs and extend them to the desired height.
- Make sure each leg is locked securely in place before proceeding.
- Adjust the angle of the bipod to ensure stability.

2. Using the Bipod:

- Position the bipod on a flat, stable surface.
- Mount your equipment securely on the bipod.
- Test the stability of the setup before using your equipment.

3. Dismantling the Bipod:

- Carefully remove any equipment from the bipod.
- Collapse the bipod legs and ensure it is stored in a safe location.

Disposal Instructions

- Dispose of the bipod in accordance with local regulations.
- Do not dispose of the bipod in household waste.
- Consider recycling options if available in your area.
