# Lead Sled Weight Reservoir Safety Instructions

## Introduction

Thank you for choosing the Caldwell Lead Sled Weight Reservoir. This product is designed to enhance your shooting experience by providing stability and reducing recoil. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always inspect the product for any signs of damage before use.
- Store the product in a safe, dry place when not in use.
- Do not exceed the weight limit specified by the manufacturer.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents immediately to the relevant authorities.

## Specific Safety Precautions for Use

- Always use the Lead Sled Weight Reservoir on a stable surface to prevent tipping.
- Ensure that the weight reservoir is securely attached to the Lead Sled before use.
- Avoid placing your hands or any body parts near the weight reservoir during operation.
- Do not modify or alter the product in any way.
- Use appropriate personal protective equipment (PPE) such as ear protection and eye protection while shooting.
- Be aware of your surroundings and ensure that the shooting area is clear of unauthorized personnel.

## Instructions for Installation and Usage

### 1. Installation:

- Remove the Lead Sled Weight Reservoir from its packaging.
- Check all components for completeness and any visible damage.
- Attach the weight reservoir to the Lead Sled by following the manufacturer's guidelines.
- Ensure that the weight reservoir is securely fastened before proceeding.

### 2. Usage:

- Place the Lead Sled on a flat and stable surface.
- Load the weight reservoir with the appropriate weights, ensuring that you do not exceed the recommended weight limit.
- Adjust the Lead Sled to your preferred shooting position.
- Always check that the weight reservoir is stable and secure before taking any shots.
- After use, remove the weights from the reservoir and store them safely.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- If the product is damaged or no longer usable, contact local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding safety or usage of the Lead Sled Weight Reservoir, please refer to the manufacturer's website or customer service for assistance.

Thank you for prioritizing safety while using the Caldwell Lead Sled Weight Reservoir. Your adherence to these guidelines ensures a safe and enjoyable shooting experience.
