Introduction

Thank you for choosing the Frankford Arsenal Precision Single Stage Press. This manual provides essential safety instructions to ensure safe and effective use of the product. Please read this guide carefully before using the press to understand how to operate it safely and avoid potential hazards.

General Safety Guidelines

- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the press.
- Keep the work area clean and organized to prevent accidents.
- Ensure that the press is used in a wellventilated area.
- Do not use the press for any purpose other than reloading ammunition.
- Keep the press out of reach of children and unauthorized users.
- Regularly inspect the press for any signs of wear or damage. Do not use if damaged.
- Follow all local laws and regulations regarding reloading ammunition.

Specific Safety Precautions for Use

- Ensure that all components of the press are securely attached before use.
- Avoid overloading the press beyond its specified limits.
- Do not attempt to modify or alter the press in any way.
- Always doublecheck that the correct caliber and type of casing are being used.
- Use only recommended reloading materials and components.
- If you experience any unusual noises or malfunctions, stop using the press immediately and investigate the issue.
- Never leave the press unattended while in operation.

Instructions for Installation and Usage

1. Installation

- Choose a stable, flat surface to set up the press.
- Secure the press to the workbench using the provided mounting hardware to prevent movement during use.
- Ensure that all tools and materials are within reach before starting the reloading process.

2. Usage

- Before starting, review the reloading process and ensure you have all necessary materials.
- Insert the casing into the die according to the manufacturer's instructions.
- Operate the handle smoothly and steadily to avoid sudden movements.
- Follow the reloading data specific to the caliber you are working with.
- After reloading, carefully inspect the finished ammunition for any defects before use.

Disposal Instructions

- Dispose of any spent casings, packaging materials, and other waste in accordance with local regulations.
- Do not dispose of hazardous materials in regular trash. Check with local authorities for proper disposal methods.
