

# MPO - MEPRO PISTOL OPTICS - MEPRO M22 TRIANGLE 10 MOA AMBER

The Mepro M22 is a compact, self-illuminated reflex sight designed for seamless performance in any lighting condition. It utilizes fiber-optic illumination during the day and premium Swiss-made tritium vials at night, ensuring continuous operation without the need for batteries.

## Key Features:

- Dual Illumination: Fiber-optic for daylight and tritium for nighttime use.
- Automatic Brightness Adjustment: Reticle illumination adapts to ambient light levels.
- Reticle Options: Available in 3.5/40 MOA Bullseye or 10 MOA Triangle.
- Durable Construction: Rugged, battle-proven design meets rigorous standards.
- Compatibility: Works with night vision devices and magnifiers.
- Water Resistance: Submersible up to 66 feet (20 meters) for 1 hour.

# Safety Instruction Guide for MPO MEPRO PISTOL OPTICS MEPRO M22 TRIANGLE 10 MOA AMBER

## Introduction

Thank you for choosing the Mepro M22 Reflex Sight. This guide provides essential safety instructions and usage guidelines to ensure safe and effective operation of your product. Please read this guide carefully before using the sight.

## General Safety Guidelines

- **Product Safety:** Ensure the safe use of the Mepro M22 Reflex Sight in all conditions. This product is designed to function effectively in various lighting situations, but it is important to follow safety guidelines.
- **Enhanced Recalls:** In the event of a product recall, you will be notified through standardized recall notices. Please ensure you register your product for updates.
- **Online Shopping:** If purchased online, be assured that you have the same safety protections as if you bought it in a physical store. Online platforms must comply with safety requirements.
- **Special Consumer Focus:** Extra attention is given to vulnerable groups. Ensure that children do not handle the product without adult supervision.
- **EU Contact Point:** For any safety inquiries, please refer to the contact point provided by your retailer or manufacturer.
- **Rapid Alerts:** Stay informed about any unsafe products through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Avoid Direct Eye Exposure:** Do not look directly into the sight while it is illuminated. This may cause discomfort or temporary vision impairment.
- **Check for Damage:** Before each use, inspect the sight for any signs of damage. Do not use if damaged.
- **Keep Out of Reach of Children:** Ensure that the product is stored safely away from children and unauthorized users.
- **Use in Appropriate Conditions:** The Mepro M22 is designed for various lighting conditions but avoid using it in extreme environments that may affect its performance.
- **Proper Handling:** Handle the sight with care to prevent drops or impacts that may damage the internal components.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded before installing the sight.
- Mount the Mepro M22 on the designated rail of your firearm according to the manufacturer's specifications.
- Secure the sight firmly using the provided mounting hardware.
- Doublecheck that the sight is properly aligned and securely attached.

### 2. Usage:

- **Turning On/Off:** The sight powers on automatically in low light conditions due to its selfilluminating feature. To turn it off, cover the fiberoptic element or store it in a bright environment.
- **Adjusting Brightness:** The sight automatically adjusts brightness based on ambient light. Test the sight in different lighting conditions to ensure optimal visibility.

- **Selecting Reticle:** Choose between the 3.5/40 MOA Bullseye or 10 MOA Triangle reticle based on your preference for target acquisition.

### 3. **Maintenance:**

- Regularly clean the lens with a soft cloth to avoid scratches.
- Store the sight in a dry place when not in use to prevent moisture damage.

## **Disposal Instructions**

- Dispose of the Mepro M22 Reflex Sight in accordance with local regulations for electronic waste.
- Do not throw the sight in regular household waste. Instead, take it to a designated electronic waste disposal facility.

## **Contact Information for Further Support**

For any questions or concerns about the Mepro M22 Reflex Sight, please consult the retailer or manufacturer from whom you purchased the product. They will provide the necessary support and information regarding safety, usage, and warranty.

Thank you for your attention to these safety instructions. Enjoy the benefits of your Mepro M22 Reflex Sight responsibly and safely!
