

# LSS Gen3 Kit LA - MDT Chassis - LSS Gen3 System - Remington 700 - LA - 3.715 - RH - Worker - FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The MDT LSS GEN3 Worker Kit is built for those who need reliability, portability, and simplicity—all packed into one rugged, ready-to-go setup. Whether you're hunting hogs, riding the fenceline, or keeping a coyote rig behind the seat, this chassis is always ready for action.

Lightweight. Compact. Easy to run. Toss it in the truck. Strap it to your pack. Set it up for anyone—from beginners to seasoned pros—and it just works.

Built for movement, the Worker Kit is easy to carry and quick to deploy, whether you're covering miles on foot or jumping in and out of a truck.

The short forend with polymer side panels keeps the rifle slim, comfortable, and easy to grip—plus, it's resistant to heat and cold where it matters. The compact CCS buttstock delivers portability without sacrificing ergonomics.

Truck gun. Ranch rifle. Pack build. Youth trainer. First rifle or fifth—it doesn't matter. This is the kind of setup that gets used—and used hard.

You get professional-grade features like AICS mag compatibility, V-block bedding, and M-LOK accessory slots, all in a build that's simple enough for anyone to use. And because it's still an LSS GEN3 chassis at its core, you're never locked in. Upgrade the stock. Swap the grip. Change the forend. Build it your way.

# LSS Gen3 Kit LA MDT Chassis Safety Instruction Guide

## Introduction

Thank you for choosing the LSS Gen3 Kit LA MDT Chassis for your Remington 700. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this manual carefully and keep it for future reference.

## General Safety Guidelines

- Always ensure the product is used in accordance with local laws and regulations.
- Inspect the product for any damage before use. If any damage is found, do not use the product.
- Keep the chassis and all components out of reach of children and unauthorized users.
- Do not modify the chassis or any of its components without consulting with a qualified professional.
- Use only compatible accessories as specified by the manufacturer to avoid potential hazards.
- Always maintain proper handling and storage practices to prevent accidents.

## Specific Safety Precautions for Use

- Ensure that the rifle is unloaded before installing or adjusting the chassis.
- Use eye and ear protection when using the rifle equipped with this chassis.
- Be aware of your surroundings when handling firearms, and always follow the basic rules of firearm safety.
- Do not use the chassis in extreme weather conditions that may affect its performance.
- Regularly check the tightness of screws and components to ensure stability during use.
- If you notice any unusual sounds or movements while using the product, cease use immediately and inspect for issues.

## Instructions for Installation and Usage

### 1. Installation of the Chassis:

- Ensure the rifle is completely unloaded.
- Remove the existing stock from the Remington 700 rifle.
- Align the action of the rifle with the chassis and secure it using the provided screws.
- Ensure that the action is properly bedded and that there is no movement when the screws are tightened.
- Attach the buttstock and ensure it is locked in place.

### 2. Usage Instructions:

- Before using the rifle, doublecheck to ensure it is unloaded.
- Adjust the buttstock to your preferred length of pull for comfort and control.
- Familiarize yourself with the controls and features of the chassis before taking it into the field.
- Practice using the chassis in a safe environment to build confidence and proficiency.

### 3. PostUse Care:

- After using the rifle, clean the chassis and rifle components as recommended by the manufacturer.
- Store the rifle and chassis in a secure location, preferably in a locked cabinet or safe.
- Regularly inspect the chassis for signs of wear or damage.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- If the chassis is no longer usable, consider recycling the aluminum components.
- Do not dispose of the product in regular household waste.

## **Contact Information for Further Support**

For any safety inquiries or assistance regarding the LSS Gen3 Kit LA MDT Chassis, please refer to the manufacturer's contact information provided in the product packaging or on the official website.

Please remember that your safety and the safety of others is of utmost importance. By following these guidelines and instructions, you can ensure a safe and enjoyable experience with your LSS Gen3 Kit LA MDT Chassis.
