## Safety Instruction Guide

### Introduction

Thank you for choosing the FABSFLIP MEPRO FABSFLIP BACK UP SIGHTS. This advanced fire control system is designed for modern infantry and special forces, integrating essential features for enhanced targeting accuracy. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

### General Safety Guidelines

- Ensure you are familiar with the product and its features before use.
- Always follow local laws and regulations regarding the use of firearms and accessories.
- Store the product in a safe and secure location, out of reach of children and unauthorized users.
- Regularly inspect the sights for any signs of damage or wear before each use.
- Report any unsafe products or accidents to the relevant authorities immediately.
- Check for recall updates on the EU's Safety Gate platform to ensure your product is safe.

### Specific Safety Precautions for Use

- Do not use the sights while under the influence of alcohol, drugs, or any substances that impair your judgment.
- Ensure that the sights are mounted correctly on your rifle to avoid misalignment.
- Avoid looking directly into the laser rangefinder; it may cause eye damage.
- Use the ballistic computer only as intended and follow the instructions for inputting data accurately.
- Be aware of your surroundings and ensure a clear line of sight while aiming.
- Always treat the firearm as if it is loaded, even if you believe it is not.

### Instructions for Installation and Usage

#### 1. Installation

- Ensure your rifle is unloaded before beginning installation.
- Locate the mounting rail on your rifle where the sights will be attached.
- Align the FABSFLIP sights with the mounting rail and secure them using the provided screws or clamps.
- Doublecheck that the sights are firmly attached and do not wobble.

#### 2. Usage

- Power on the digital display by following the manufacturer's instructions.
- Utilize the builtin ballistic calculator by inputting the necessary data as per the instruction manual.
- Activate the laser rangefinder when ready to measure distances accurately.
- Follow the guidelines for adjusting the sights for windage and elevation to ensure precision.
- After use, turn off the digital display and store the sights in a protective case.

### Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste.
- Remove batteries and dispose of them separately as per local battery disposal guidelines.
- Do not throw the product in regular household waste. Instead, take it to a designated ewaste recycling facility.

## **Contact Information for Further Support**

For further assistance regarding safety inquiries or product support, please refer to the manufacturer's website or contact their support team directly.

By adhering to these safety instructions, you can ensure a safe and effective experience with your FABSFLIP MEPRO FABSFLIP BACK UP SIGHTS. Thank you for prioritizing safety.
