

HYPER BRIGHT FIXED PISTOL GLOCK - MEPRO HYPER-BRIGHT™ PLUS CO-WITNESS GLOCK STANDAND FRAME-YELLOW RING

The Meprolight Hyper-Bright™ sights are engineered for rapid target acquisition in all lighting conditions. Featuring a high-contrast colored front sight ring—available in orange, green, or yellow—paired with premium Swiss-made tritium vials, these sights ensure visibility from bright daylight to complete darkness.

Key Features:

- High-Contrast Front Sight Ring: Enhances daytime visibility for quicker target acquisition.
- Tritium Illumination: Green tritium vials in both front and rear sights provide consistent glow in low-light and no-light scenarios.
- U-Notch Rear Sight Design: Directs the shooter's focus to the front sight, facilitating faster alignment.
- Durable Construction: Made from rugged steel with a snag-free profile, ensuring reliability and ease of draw.
- Maintenance-Free: No batteries required; always on and ready for use.

Safety Instruction Guide for HYPER BRIGHT FIXED PISTOL GLOCK MEPRO HYPERBRIGHT™ PLUS COWITNESS GLOCK STANDARD FRAMEYELLOW RING

Introduction

Thank you for choosing the HYPER BRIGHT FIXED PISTOL GLOCK MEPRO HYPERBRIGHT™ PLUS COWITNESS GLOCK STANDARD FRAMEYELLOW RING. This product is designed to enhance your shooting experience by providing superior visibility in various lighting conditions. To ensure your safety and the safety of others, please read and follow the guidelines outlined in this instruction manual.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the firearm and sights in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the sights for any signs of damage or wear.
- Do not use the sights if they are damaged or malfunctioning.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about recalls and safety notices via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use only with Glock handguns for which the sights are specifically designed.
- Ensure that the sights are properly installed before use.
- Avoid using the firearm in extreme weather conditions that may affect visibility.
- Be aware of your surroundings and ensure a clear line of sight before aiming or firing.
- Do not attempt to modify the sights or firearm in any way.
- Ensure that the tritium vials are not exposed to direct sunlight for prolonged periods to maintain their effectiveness.

Instructions for Installation and Usage

Installation

1. Ensure the firearm is unloaded and pointed in a safe direction.
2. Remove the existing sights from your Glock handgun according to the manufacturer's instructions.
3. Align the Meprolight HyperBright™ sights with the mounting points on your Glock.
4. Securely fasten the sights using the appropriate tools as specified in the Glock user manual.
5. Verify that the sights are aligned and securely attached before use.

Usage

- Familiarize yourself with the sight alignment and picture before engaging in live firing.
- Practice target acquisition in various lighting conditions to understand the sight's capabilities.
- Regularly check the illumination of the tritium vials to ensure they are functioning correctly.
- Use the sights as intended and follow all standard firearm safety practices.

Disposal Instructions

- Dispose of the sights in accordance with local regulations.
- Do not dispose of the sights in regular household waste.
- If the sights are damaged, contact the manufacturer for guidance on safe disposal.
- Ensure that any hazardous materials, such as tritium vials, are handled according to safety guidelines.

Contact Information for Further Support

For any inquiries or concerns regarding the HYPER BRIGHT FIXED PISTOL GLOCK MEPRO HYPERBRIGHT™ PLUS COWITNESS GLOCK STANDARD FRAMEYELLOW RING, please refer to the manufacturer's contact information provided in the product packaging or visit the manufacturer's website for more details.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your HYPER BRIGHT FIXED PISTOL GLOCK MEPRO HYPERBRIGHT™ PLUS COWITNESS GLOCK STANDARD FRAMEYELLOW RING. Thank you for your attention to safety.
