

# MEPRO Tru Dot FIXED SIGHTS - MEPRO TRU-DOT GLOCK FRONT SIGHT FOR ALL MODELS, 4.35MM HEIGHT-G

The Meprolight Tru-Dot Fixed Sights offer enhanced visibility and rapid target acquisition in all lighting conditions. Utilizing premium Swiss-made tritium vials, these sights provide a bright 3-dot sight picture during the day and glow green in low-light or nighttime scenarios, ensuring 24/7 readiness without the need for batteries.

## Key Features:

- Day/Night Visibility: Bright white dots for daytime use; green tritium illumination for low-light conditions.
- Durable Construction: Made from rugged steel with a snag-free design for easy holstering.
- Maintenance-Free: No batteries required; always on and ready.

# MEPRO Tru Dot Fixed Sights Safety Instruction Guide

## Introduction

Thank you for choosing the MEPRO Tru Dot Fixed Sights for your Glock. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this manual carefully before installation and use.

## General Safety Guidelines

- Always handle your firearm and accessories with care and respect.
- Ensure that you are familiar with the laws and regulations regarding the use of firearms and accessories in your area.
- Store your firearm and sights in a secure location, out of reach of children and unauthorized users.
- Regularly inspect your sights for any signs of damage or wear. If damaged, discontinue use immediately.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing or adjusting the sights.
- Avoid touching the tritium vials; they are designed to be sealed within the sight.
- Do not attempt to disassemble or modify the sights.
- Use only compatible Glock models with the MEPRO Tru Dot Fixed Sights.
- Always wear appropriate eye protection when handling firearms.

## Instructions for Installation and Usage

### Installation

1. **Ensure Safety:** Confirm that your firearm is unloaded.
2. **Remove Old Sights:** Use a sight pusher tool or appropriate method to carefully remove the existing sights from your Glock.
3. **Install New Sights:** Align the MEPRO Tru Dot Fixed Sights with the mounting dovetail on your Glock. Use a sight pusher tool to press them into place securely.
4. **Check Alignment:** Ensure that the sights are properly aligned and securely installed.
5. **Test Functionality:** Once installed, check the sights for proper function and visibility.

### Usage

- **Daytime Use:** The bright white dots provide clear visibility for aiming.
- **LowLight Conditions:** The green tritium illumination will glow in lowlight or nighttime scenarios, ensuring you can acquire your target effectively.
- **Maintenance:** The sights are maintenancefree and do not require batteries. Always ensure they are clean and free from obstructions.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the sights become damaged, contact your local waste management authority for guidance on safe disposal methods.
- Do not dispose of the sights in regular household waste.

## **Contact Information for Further Support**

For any inquiries or support related to your MEPRO Tru Dot Fixed Sights, please reach out to the MEPROLIGHT customer service team or visit our website for further assistance.

Thank you for choosing MEPRO Tru Dot Fixed Sights. Your safety and satisfaction are our top priorities.
