

MEPRO Tru Dot FIXED SIGHTS - MEPRO TRU-DOT FRONT S&W SIGMA, SW/SWVE-G

The Meprolight Tru-Dot Fixed Sights offer enhanced visibility and rapid target acquisition in all lighting conditions. Utilizing premium Swiss-made tritium vials, these sights provide a bright 3-dot sight picture during the day and glow green in low-light or nighttime scenarios, ensuring 24/7 readiness without the need for batteries.

Key Features:

- Day/Night Visibility: Bright white dots for daytime use; green tritium illumination for low-light conditions.
- Durable Construction: Made from rugged steel with a snag-free design for easy holstering.
- Maintenance-Free: No batteries required; always on and ready.

MEPRO Tru Dot Fixed Sights Safety Instruction Guide

Introduction

Thank you for choosing the MEPRO Tru Dot Fixed Sights for your S&W Sigma, SW/SWVEG. These sights are designed to enhance visibility and facilitate rapid target acquisition in various lighting conditions. This safety instruction guide provides essential information to ensure safe and effective use of your product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle firearms and sights with care to prevent accidents.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the sights for any signs of damage or wear.
- Follow all local laws and regulations regarding the use of firearms and accessories.

Specific Safety Precautions for Use

- **Day/Night Visibility:** Ensure that you are familiar with the sight picture under both daylight and lowlight conditions before use.
- **Durable Construction:** Handle the sights carefully to avoid dropping or damaging them, which could affect their performance.
- **MaintenanceFree:** As the sights are designed to be maintenancefree, do not attempt to disassemble or modify them.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded before installation.
- Align the sight with the mounting point on your firearm.
- Securely fasten the sight according to the manufacturer's instructions to ensure it is stable and properly positioned.
- If unsure, consult a qualified gunsmith for assistance.

2. Usage:

- Familiarize yourself with the sight picture in a controlled environment before going to the range.
- Practice aiming and shooting in both daylight and lowlight conditions to understand how the sights perform.
- Always wear appropriate eye and ear protection when using firearms.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste and firearms accessories.
- Do not dispose of the sights in regular household waste.
- If you are unsure of how to dispose of the product safely, consult local waste management authorities for guidance.

Contact Information for Further Support

For any safety inquiries or additional support regarding the MEPRO Tru Dot Fixed Sights, please reach out to your local retailer or the manufacturer. Always ensure that you have the latest safety updates and product information.

Conclusion

By following these safety instructions, you can ensure the safe and effective use of your MEPRO Tru Dot Fixed Sights. Stay informed about safety recalls and updates through the EU's Safety Gate platform. Thank you for prioritizing safety while using your product.
