

MEPRO Tru Dot FIXED SIGHTS - MEPRO TRU-DOT FRONT, 8-36 THREAD-AR15, M16A1/A2-G

The Meprolight Tru-Dot Rifle Sights are designed to provide shooters with enhanced visibility and rapid target acquisition in all lighting conditions. Utilizing premium Swiss-made tritium vials, these sights offer a bright 3-dot sight picture during the day and glow green in low-light or nighttime scenarios, ensuring 24/7 readiness without the need for batteries.

Key Features:

- Day/Night Visibility: Bright white dots for daytime use; green tritium illumination for low-light conditions.
- Durable Construction: Made from rugged steel with a snag-free design for easy handling.
- Maintenance-Free: No batteries required; always on and ready

MEPRO Tru Dot Fixed Sights Safety Instruction Guide

Introduction

Thank you for choosing the MEPRO Tru Dot Fixed Sights. These rifle sights are designed to enhance your shooting experience by providing superior visibility and target acquisition in various lighting conditions. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure the firearm is pointed in a safe direction at all times.
- Familiarize yourself with the operation of your firearm and the sights before use.
- Store your firearm and sights in a secure location, out of reach of children and unauthorized users.
- Inspect the sights regularly for any signs of damage or wear.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Day/Night Visibility:** The sights utilize tritium for lowlight visibility. Ensure you understand how the sights function in both day and night conditions.
- **Durable Construction:** While the sights are made of rugged steel, avoid dropping or subjecting them to excessive force.
- **Maintenance Free:** The sights do not require batteries, but ensure they are kept clean and dry to maintain optimal performance.

Instructions for Installation and Usage

1. Installation:

- Ensure your firearm is unloaded before installation.
- Remove any existing sights carefully, following the manufacturer's instructions.
- Align the MEPRO Tru Dot sights with the mounting points on your firearm.
- Securely fasten the sights using the appropriate tools as per the firearm specifications.
- Doublecheck that the sights are firmly attached and aligned properly.

2. Usage:

- When aiming, ensure the sights are properly aligned with your target.
- Use the bright white dots during the day for clear visibility.
- In lowlight conditions, rely on the tritium illumination for target acquisition.
- Practice regularly to become familiar with the sight picture and enhance your shooting accuracy.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the sights in regular household waste.
- If the sights are damaged, contact your local waste management facility for guidance on proper disposal.

Contact Information for Further Support

For any inquiries regarding the safety of this product or if you need assistance, please refer to the EUbased contact point provided with your product packaging or user manual.
