

Bipod - Mountain - Picatinny Mount - Black

Every mountain hunter knows the drill: the night before a big trip, you're shaving grams wherever you can—without giving up performance. That's exactly where the MDT Mountain Bipod comes in.

Now fully integrated into the MDT lineup, it brings field-tested performance with smart, mountain-focused features. Twist-lock legs and a push-button deployment system mean fast setup—even with gloves on. It's quick, rock solid, and ready for rough country.

Safety Instruction Guide for MDT Mountain Bipod

Introduction

Thank you for choosing the MDT Mountain Bipod. This guide provides essential safety information, usage instructions, and disposal guidelines to ensure your product is used safely and effectively. Please read this guide carefully before using the bipod.

General Safety Guidelines

- Ensure the bipod is properly assembled and in good working condition before each use.
- Always inspect the bipod for any signs of wear or damage. Do not use if damaged.
- Use the bipod only for its intended purpose as a support for firearms.
- Keep the bipod out of reach of children and unauthorized users.
- Be aware of your surroundings and ensure a safe shooting environment.
- Follow all local laws and regulations regarding firearm use and hunting.

Specific Safety Precautions for Use

- **Hazard Identification:** Improper use may result in firearm accidents or injuries. Using the bipod on unstable surfaces can lead to tipping or falling.
- **Avoiding Hazards:** Always ensure the bipod is set up on stable, level ground. Do not exceed the weight limit of the bipod as specified by the manufacturer. Ensure all locking mechanisms are engaged before placing a firearm on the bipod.
- **Age-Specific Warnings:** This product is not intended for use by individuals under the age of 18 unless supervised by an adult.

Instructions for Installation and Usage

1. Installation:

- Remove the bipod from its packaging.
- Ensure all parts are included and undamaged.
- Attach the bipod to the firearm using the Picatinny mount, ensuring it is securely fastened.

2. Usage:

- Deploy the bipod by twisting the legs to the desired length.
- Ensure the legs are locked in place before use.
- Adjust the angle of the bipod as needed for optimal stability.
- Always maintain control of the firearm when using the bipod.

Disposal Instructions

- Dispose of the bipod in accordance with local regulations.
- If the bipod is damaged beyond repair, recycle materials where possible.
- Do not dispose of the bipod in general waste if it contains hazardous materials.

Contact Information for Further Support

For safety inquiries or support regarding the MDT Mountain Bipod, please refer to the manufacturer's contact details provided on the packaging or product documentation.

By following these guidelines, you can ensure safe and effective use of your MDT Mountain Bipod. Always prioritize safety and adhere to local regulations when using firearms and hunting equipment. Thank you for your attention to these important safety instructions.
