Safety Instruction Guide for Carrying Case for SG Timer 2

Introduction

Thank you for choosing the Carrying Case for SG Timer 2 by SHOOTERS GLOBAL. This guide provides essential safety instructions and guidelines to ensure the safe use of your product. Please read this document carefully to understand how to use the carrying case safely and effectively.

General Safety Guidelines

- Ensure that the carrying case is used solely for its intended purpose – transporting the SG Timer 2.
- Regularly inspect the carrying case for any signs of wear or damage before use.
- Keep the carrying case away from extreme temperatures, moisture, and direct sunlight to prolong its lifespan.
- Store the carrying case in a dry and cool environment when not in use.
- Do not overload the carrying case beyond its intended capacity.

Specific Safety Precautions for Use

- Avoid placing sharp or heavy objects inside the carrying case that may cause damage to the case or the SG Timer 2.
- Ensure that the carrying case is securely closed before transportation to prevent accidental opening.
- Keep the carrying case out of reach of children to avoid any potential hazards.
- If the carrying case becomes damaged or shows signs of wear, discontinue use immediately and replace it.

Instructions for Installation and Usage

1. Unpacking the Carrying Case:

- Carefully remove the carrying case from its packaging.
- Inspect the case for any visible damage. If damaged, do not use it.

2. Placing the SG Timer 2 in the Carrying Case:

- Open the carrying case fully.
- Position the SG Timer 2 securely inside the case, ensuring it fits snugly without excessive movement.
- Close the case securely to protect the timer during transport.

3. Transporting the Carrying Case:

- Use the carrying handle or shoulder strap provided for easy transportation.
- Keep the carrying case upright to prevent any shifting of contents.

4. Cleaning and Maintenance:

- Wipe the exterior of the carrying case with a damp cloth to remove dirt and stains.
- Avoid using harsh chemicals or abrasive materials that may damage the case.

Disposal Instructions

- When the carrying case reaches the end of its useful life, dispose of it in accordance with local regulations.
- If possible, recycle the carrying case to reduce environmental impact.
- Do not dispose of the carrying case in household waste if it contains hazardous materials.

Contact Information for Further Support

For any safety inquiries or support regarding the Carrying Case for SG Timer 2, please contact the manufacturer directly. An EUbased contact is available to assist you with any questions or concerns.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your Carrying Case for SG Timer 2. Thank you for your attention to safety!
