

# **LSS Gen3 Kit SA - MDT Chassis - LSS Gen3 System - Howa 1500 - SA - RH - Tactical - FDE**

Need one rifle that can do it all? Start here. The MDT LSS GEN3 Tactical Kit is built around flexibility, reliability, and rugged performance. Whether you need a dependable truck gun, a backcountry bolt rig, or a custom setup for the range, this kit has you covered.

You get the familiar AR-15 feel you know, combined with bolt-action precision you can trust. Fully capable. Fully upgradeable. Ready for anything.

This isn't some lightweight, minimalist build. The Tactical Kit is made to take a beating and keep going—featuring a rock-solid fit, a rigid forend, and durable construction throughout. Built to work. Built to last.

The SCS Buttstock gives you toolless control over length of pull, cheek height, and buttpad position, letting you dial in your setup on the fly. The Tactical Forend comes loaded with M-LOK slots on all five faces, ready for whatever your mission demands—bipod, weights, sling, light, spare rounds, and more.

Tough. Adaptable. Reliable. Whatever you throw at it, the MDT LSS GEN3 Tactical Kit is ready.

# Safety Instruction Guide for LSS Gen3 Kit SA MDT Chassis

## Introduction

Thank you for choosing the LSS Gen3 Kit SA MDT Chassis. This versatile kit is designed for various applications, from tactical use to recreational shooting. To ensure your safety and the safe operation of this product, please read and follow the guidelines outlined in this manual.

## General Safety Guidelines

- Always treat the rifle as if it is loaded.
- Keep the muzzle pointed in a safe direction at all times.
- Be aware of your target and what is beyond it.
- Store the rifle in a secure location to prevent unauthorized access.
- Use only compatible ammunition as specified by the manufacturer.
- Inspect the rifle regularly for any signs of wear or damage.
- Always wear appropriate safety gear, including eye and ear protection, when using the rifle.
- Follow all local laws and regulations regarding firearm ownership and usage.

## Specific Safety Precautions for Use

- **Age Restrictions:** This product is intended for use by individuals aged 18 and older. Ensure that younger individuals are supervised by a responsible adult at all times.
- **Potential Hazards:**
  - Risk of accidental discharge if not handled properly.
  - Risk of injury from recoil.
  - Risk of damage to the rifle from improper handling or storage.
- **Avoiding Hazards:**
  - Always engage the safety mechanism when not in use.
  - Do not place your finger on the trigger until ready to shoot.
  - Use proper lifting techniques to avoid injury when handling the rifle.
  - Ensure that the rifle is properly secured during transport.

## Instructions for Installation and Usage

- **Installation:**
  1. Ensure the rifle is unloaded and the safety is engaged.
  2. Follow the manufacturer's instructions for assembling the kit components.
  3. Securely attach the Tactical Forend and SCS Buttstock to the rifle as per the guidelines.
  4. Adjust the length of pull, cheek height, and buttstock position using the toolless controls on the SCS Buttstock.
- **Usage:**
  - Before each use, check the rifle for proper assembly and functionality.
  - Load ammunition into the magazine according to the manufacturer's instructions.
  - When ready to shoot, ensure that you are in a safe and designated shooting area.
  - After shooting, always engage the safety mechanism and unload the rifle before handling or transporting it.

## Disposal Instructions

- Dispose of the LSS Gen3 Kit SA MDT Chassis in accordance with local regulations regarding firearm disposal.
- Do not attempt to dismantle or dispose of the rifle in a manner that could cause harm to yourself or others.
- Contact your local waste management authorities for guidance on safe disposal methods.

## Contact Information for Further Support
