

# LSS Gen3 Kit LA - MDT Chassis - LSS Gen3 System - Howa 1500 - LA - RH - Worker - FDE

The MDT LSS GEN3 Worker Kit is built for those who need reliability, portability, and simplicity—all packed into one rugged, ready-to-go setup. Whether you're hunting hogs, riding the fenceline, or keeping a coyote rig behind the seat, this chassis is always ready for action.

Lightweight. Compact. Easy to run. Toss it in the truck. Strap it to your pack. Set it up for anyone—from beginners to seasoned pros—and it just works.

Built for movement, the Worker Kit is easy to carry and quick to deploy, whether you're covering miles on foot or jumping in and out of a truck.

The short forend with polymer side panels keeps the rifle slim, comfortable, and easy to grip—plus, it's resistant to heat and cold where it matters. The compact CCS buttstock delivers portability without sacrificing ergonomics.

Truck gun. Ranch rifle. Pack build. Youth trainer. First rifle or fifth—it doesn't matter. This is the kind of setup that gets used—and used hard.

You get professional-grade features like AICS mag compatibility, V-block bedding, and M-LOK accessory slots, all in a build that's simple enough for anyone to use. And because it's still an LSS GEN3 chassis at its core, you're never locked in. Upgrade the stock. Swap the grip. Change the forend. Build it your way.

# Safety Instruction Guide for LSS Gen3 Kit LA MDT Chassis

## Introduction

Thank you for choosing the LSS Gen3 Kit LA MDT Chassis. This guide provides essential safety instructions to ensure the safe and effective use of your product. It is important to read and understand these guidelines to avoid potential hazards and ensure a positive experience.

## General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Ensure that the product is used in a safe environment, free from hazards.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Handling:** Always handle the chassis with care. Ensure that the rifle is unloaded and the safety is engaged before making any adjustments.
- **Transport:** When transporting the chassis, ensure it is secured to prevent movement that could lead to accidents.
- **Shooting:** Always follow safe shooting practices. Ensure you are in a safe location and that the area is clear of people and obstacles.
- **Maintenance:** Regular maintenance is crucial. Clean the chassis and check for any loose components after each use.
- **Environmental Conditions:** Be aware of environmental conditions. Avoid using the product in extreme weather that may affect its performance or your safety.

## Instructions for Installation and Usage

### 1. Installation:

- Remove the chassis from the packaging carefully.
- Ensure all components are present as per the product specifications.
- Follow the manufacturer's instructions for attaching the chassis to the rifle securely.
- Check that all screws and fasteners are tightened properly before use.

### 2. Usage:

- Adjust the buttstock and forend to fit your body size and shooting style.
- Ensure that the rifle is properly seated in the chassis and that the magazine is correctly inserted.
- Practice loading and unloading the rifle in a safe environment to become familiar with the chassis's operation.
- When ready to shoot, adopt a stable shooting position and ensure your target is clearly identified.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product with general waste. Check for recycling options or specialized disposal services for firearms accessories.
- Ensure that any hazardous materials are handled according to safety guidelines.

## Contact Information for Further Support

For any inquiries or support regarding the LSS Gen3 Kit LA MDT Chassis, please refer to the manufacturer's contact information provided with your product packaging or visit their official website.

By following these safety instructions, you can ensure a safe and enjoyable experience with your LSS Gen3 Kit LA MDT Chassis. Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation.
