# Safety Instruction Guide for LSS Gen3 LA MDT Chassis

## Introduction

Thank you for choosing the LSS Gen3 LA MDT Chassis. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your chassis. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure that the chassis is used only for its intended purpose: to build and customize rifles.
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Keep the chassis and all components out of reach of children and unauthorized individuals.
- Regularly inspect the chassis and all components for wear and damage before each use.
- Report any unsafe products or accidents to the relevant authorities immediately.
- Stay informed about product recalls through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when handling firearms.
- Ensure that the rifle is unloaded before attaching or detaching any components from the chassis.
- Follow the manufacturer's instructions for all accessories and components used with the chassis.
- Avoid using the chassis in extreme environmental conditions that may affect its performance.
- Do not modify the chassis beyond the manufacturer's specifications to maintain safety and performance.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools and components before starting the installation.
- Read the instructions for any additional components you plan to use with the chassis.

### 2. Installation Steps

- Remove any existing stock from the rifle according to the manufacturer's instructions.
- Align the rifle action with the chassis and ensure a snug fit.
- Secure the action to the chassis using the provided screws and tools. Ensure all screws are tightened to the manufacturer's specifications.
- Attach the desired forend, buttstock interface, buttstock, and grip according to the respective manufacturer's instructions.
- Doublecheck that all components are securely attached before proceeding.

### 3. Usage

- Once installed, familiarize yourself with the operation of the chassis and any attached components.
- Conduct a safety check to ensure the rifle is functioning correctly and safely.
- Practice safe handling and shooting techniques at all times.

## Disposal Instructions

- Dispose of the chassis and any components in accordance with local waste disposal regulations.
- Do not dispose of the chassis in regular household waste if it contains hazardous materials.
- Consider recycling options for aluminum components whenever possible.

## Contact Information for Further Support

For questions regarding safety or product support, please refer to the manufacturer's website or customer service resources.

Thank you for your attention to these safety guidelines. Enjoy your shooting experience with the LSS Gen3 LA MDT Chassis.
