[Gunsmith Tools & Supplies](#) > [Stock Work & Finishing](#) > [Stock Making Hand Tools](#) > [Hand Carving Knives](#)

The **Breacher Fixed Knife** is built for real work - tough, simple, and reliable when it matters most. Whether you're in the field, on duty, or need a dependable tool at your side, this fixed blade delivers. It's designed for practical use, with carry options that fit your setup and a size that makes it **legal to carry in Germany**.

## Full-Tang DIN EN 1.2379 Steel Blade

The blade is forged from **DIN EN 1.2379**, a high-grade steel known for its exceptional hardness, edge retention, and wear resistance. With a **full-tang construction**, the steel runs through the entire handle, ensuring maximum strength for demanding tasks like prying, cutting, or applying controlled force—ideal for professionals and outdoor users alike.

## G10 Handle with Topo Map Design

The handle is made from **G10 composite**, a rugged material that stays grippy even in wet or dirty conditions. It features a **stylized topographic map pattern**, adding an outdoor-inspired design while improving grip and control.

## Legal to Carry in Germany

Thanks to its **blade length**, the Breacher stays within German carry laws for fixed knives. That means you can take it with you without legal concerns - whether you're in the forest or at work.

## Custom Sheath with Adjustable Clip

The **included sheath** comes with a **belt clip that can rotate 90°**, letting you carry it **vertically or horizontally**. It's also **Tek-Lok compatible**, so you can easily mount it to belts, packs, or gear the way you like.

Tough. Practical. Always Ready.

**DIN EN 1.2379 full-tang blade** - ultra-strong, sharp, and wear-resistant

**G10 handle with topo map design** - durable and secure

**Legal to carry in Germany** - compliant blade length

**Sheath with rotating clip** - vertical, horizontal, or Tek-Lok carry

**Built for the field** - no nonsense, no shortcuts

# Breacher Fixed Knife Safety Instruction Guide

## Introduction

Thank you for choosing the Breacher Fixed Knife. This guide provides important safety instructions and guidelines for the proper use of your knife. Please read this guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always handle the knife with care and respect.
- Keep the knife out of reach of children and vulnerable individuals.
- Use the knife only for its intended purpose.
- Inspect the knife regularly for any signs of damage or wear.
- If the knife is damaged, discontinue use immediately.
- Store the knife in its sheath when not in use to prevent accidental injury.
- Always be aware of your surroundings when using the knife to avoid accidents.

## Specific Safety Precautions for Use

- **Cutting and Prying:**
  - Use the knife on stable surfaces to prevent slips.
  - Apply controlled force when cutting or prying to avoid blade breakage.
- **Wet or Dirty Conditions:**
  - Ensure a firm grip on the G10 handle, especially in wet or dirty conditions.
- **Legal Compliance:**
  - Familiarize yourself with local laws regarding knife carry and usage, particularly in Germany.
- **Sheath Usage:**
  - Always use the included sheath when transporting the knife.
  - Ensure the sheath is securely attached to your belt or gear.

## Instructions for Installation and Usage

1. **Initial Inspection:**
  - Check the knife for any visible defects or damage before first use.
2. **Using the Sheath:**
  - Attach the sheath to your belt or gear using the adjustable clip.
  - Rotate the clip to choose between vertical or horizontal carry.
3. **Using the Knife:**
  - Hold the knife firmly by the handle.
  - Ensure your fingers are clear of the blade when cutting.
  - Use appropriate cutting techniques for the material you are working with.
4. **Cleaning and Maintenance:**
  - Clean the blade after each use with a damp cloth to remove dirt and debris.
  - Dry the knife thoroughly to prevent rust.
  - Periodically check the handle and blade for wear.

## Disposal Instructions

- When the knife reaches the end of its usable life, dispose of it responsibly.
- Follow local regulations for disposing of knives and sharp objects.
- Consider recycling the metal components if applicable.

## **Contact Information for Further Support**

For safety inquiries or concerns regarding your Breacher Fixed Knife, please refer to the EU contact point provided by the manufacturer.

## **Conclusion**

By following these safety guidelines and instructions, you will ensure the safe and effective use of your Breacher Fixed Knife. Always prioritize safety and be mindful of your surroundings while using this tool. Thank you for your attention to these important guidelines.
