

SG Pulse Pro (Picatinny + M-Lok)

[Shooting Accessories](#) > [Range Gear](#) > [Shot Timers](#)

The SG Pulse Pro is your all-in-one tool for mastering long-range shooting. Compact, rugged, and affordable, it packs seven essential functions into one modular device – built to elevate your precision under pressure.

Track Your DOPE. Own Every Shot. Program your DOPE card via the app or directly on the device. Display each adjustment during your run with the remote button – no fumbling, no distractions.

Built-In Stage Timer Set your time, hit start, and the countdown begins – shown right next to your reticle. Stay in control. Shoot with confidence.

Muzzle Trace Analysis See what your muzzle does before, during, and after the shot. Spot pulling errors, correct your form, and tighten those groups.

Digital Leveling, Instant Feedback Ditch the analog bubbles. The SG Pulse Pro's electronic level gives you real-time cant error correction – with LED indicators and on-screen readout, plus buttons for fast field adjustments.

Performance Drills Made Easy Run shooting drills with the dedicated app, track your progress, and fine-tune your performance like a pro.

Accessory Ready – Remote & More Use the external connector to add LEDs at your eyepiece or a remote button for hands-off control. Adapt your setup to how you shoot.

Modular. Minimal. Mount Anywhere. Takes up just one slot on your rifle. Mount it via Picatinny, M-LOK, or SPUHR – wherever it fits your workflow. With an aluminium housing, it's lightweight, weather-resistant, and tough as nails.

SG Pulse Pro Safety Instruction Guide

Introduction

Thank you for choosing the SG Pulse Pro. This all-in-one tool is designed to enhance your long-range shooting experience. To ensure safe and effective use of this product, please read this safety instruction guide carefully. It contains essential information on safety guidelines, precautions, installation, usage, and disposal.

General Safety Guidelines

- **Product Safety:** Always ensure that the SG Pulse Pro is used according to the instructions provided. This product is designed for nonfood use and complies with EU safety regulations.
- **Enhanced Recalls:** Stay informed about product recalls. In the event of a recall, you will be notified through standardized notices.
- **Online Shopping:** If purchased online, ensure that the platform complies with EU safety requirements.
- **Special Consumer Focus:** Extra care is advised for vulnerable groups, including children. Keep the product out of reach of children.
- **EU Contact Point:** For safety inquiries, refer to the product information provided for an EU-based contact.
- **Rapid Alerts:** Stay updated on product safety through the EU Safety Gate platform.

Specific Safety Precautions for Use

- Always inspect the SG Pulse Pro before use to ensure it is in good working condition.
- Do not expose the device to extreme temperatures or moisture.
- Use the product only for its intended purpose as outlined in the user manual.
- Avoid using the device while under the influence of drugs or alcohol.
- Keep the device clean and free from debris to maintain its functionality.
- If you notice any damage or malfunction, discontinue use immediately and contact support.

Instructions for Installation and Usage

Installation

1. **Choose a Mounting Location:** Select a suitable location on your rifle (Picatinny, MLOK, or SPUHR) that fits your workflow.
2. **Secure the Device:**
 - Align the SG Pulse Pro with the mounting system.
 - Use the appropriate screws or clamps to secure the device firmly.
3. **Connect External Accessories:** If using additional accessories (e.g., LEDs or remote buttons), connect them to the external connector as per the instructions in the user manual.

Usage

1. **Power On the Device:** Press the power button to turn on the SG Pulse Pro.
2. **Program Your DOPE Card:** Use the app or the device to input your DOPE (Data on Previous Engagements) information.
3. **Start the Timer:** Set your desired stage time and hit start. The countdown will display next to your reticle.
4. **Monitor Muzzle Trace:** Observe the muzzle behavior before, during, and after each shot to correct any form errors.
5. **Adjust Leveling:** Use the electronic level for realtime cant error correction. Follow the LED indicators and onscreen readout for guidance.
6. **Conduct Performance Drills:** Utilize the dedicated app to run drills and track your progress.

Disposal Instructions

- Dispose of the SG Pulse Pro in accordance with local regulations regarding electronic waste.
- Do not dispose of the product with regular household waste.
- If you are unsure about disposal methods, contact local waste management authorities for guidance.

Contact Information for Further Support

For any safety inquiries, product support, or to report unsafe conditions, please refer to the contact information provided with your product packaging.

By following these guidelines and instructions, you can ensure a safe and effective experience with your SG Pulse Pro. Thank you for prioritizing safety in your shooting activities.
