

# Marlin Lever Quick Takedown Screw 30 30 Win Steel - Marlin30-30 Win Lever Takedown Screw (Stainless)

## Shooting Accessories

Material: Made from durable 4140 chromoly steel with a black nitride finish for excellent corrosion resistance.

### Features:

Easy Disassembly: Quick-release lever screws allow fast removal of the lever—perfect for thorough cleaning and maintenance.

Flexibility: Quickly swap the standard lever for an oversized loop lever, ideal for Cowboy Action Shooting or shooting with gloves.

Non-Slip Grip: Six-point head design and oversized diameter provide a secure hold during installation and removal.

Compatibility: Fits Marlin models (excluding the Model 39A) that use the proprietary .210-28 Marlin thread.

Includes O-Ring: Prevents the screw from loosening unintentionally during use.

# Marlin Lever Quick Takedown Screw Safety Instructions

## Introduction

Thank you for choosing the Marlin Lever Quick Takedown Screw. This product is designed to enhance your shooting experience while ensuring safety and ease of use. Please read this safety instruction guide carefully to understand how to use this product safely and effectively.

## General Safety Guidelines

- Always ensure the firearm is unloaded before installing or removing the takedown screw.
- Keep the product out of reach of children and unauthorized users.
- Inspect the screw for any signs of damage or wear before each use.
- Follow all manufacturer guidelines and safety practices when handling firearms.
- Report any unsafe conditions or incidents to the relevant authorities.

## Specific Safety Precautions for Use

### • Hazard Identification:

- Improper installation may lead to firearm malfunction.
- Using the screw with incompatible models may cause damage.

### • Avoiding Hazards:

- Ensure compatibility with your Marlin model (excluding Model 39A) before use.
- Use the screw only for its intended purpose as described in this guide.
- Always use the screw in a welllit area to avoid accidents.

### • Age Specific Warnings:

- This product is intended for adult users only. Keep it away from minors.

## Instructions for Installation and Usage

### • Installation Steps:

1. Ensure the firearm is unloaded and pointed in a safe direction.
2. Locate the lever on your Marlin model.
3. Using the appropriate tool, carefully remove the existing lever screw.
4. Align the Marlin Lever Quick Takedown Screw with the .21028 Marlin thread.
5. Tighten the screw securely but avoid overtightening to prevent damage.
6. Verify that the lever is securely attached before use.

### • Usage Tips:

- For easy disassembly, utilize the quickrelease lever feature.
- If using gloves, ensure a firm grip on the oversized loop lever.
- Regularly check the screw for tightness during use, especially after extensive shooting sessions.

## Disposal Instructions

- Dispose of the Marlin Lever Quick Takedown Screw in accordance with local regulations.
- Do not dispose of in regular household waste. Check for local recycling programs or hazardous waste collection points.

## Contact Information for Further Support

For any safety inquiries, concerns, or support regarding the Marlin Lever Quick Takedown Screw, please consult the manufacturer's website or customer service resources.

Thank you for following these safety instructions. Your safety and satisfaction are our top priorities. Enjoy your shooting experience with the Marlin Lever Quick Takedown Screw!
