

# Marlin Lever Quick Takedown Screw 30 30 Win - Marlin 30-30 Win Lever Takedown Screw (black)

## Shooting Accessories

Material: Made from durable 4140 chromoly steel with a black nitride finish for excellent corrosion resistance.

### Features:

Easy Disassembly: Quick-release lever screws allow fast removal of the lever—perfect for thorough cleaning and maintenance.

Flexibility: Quickly swap the standard lever for an oversized loop lever, ideal for Cowboy Action Shooting or shooting with gloves.

Non-Slip Grip: Six-point head design and oversized diameter provide a secure hold during installation and removal.

Compatibility: Fits Marlin models (excluding the Model 39A) that use the proprietary .210-28 Marlin thread.

Includes O-Ring: Prevents the screw from loosening unintentionally during use.

# Marlin Lever Quick Takedown Screw Safety Instruction Guide

## Introduction

Thank you for choosing the Marlin Lever Quick Takedown Screw. This guide provides important safety information, usage instructions, and maintenance tips to ensure your product is used safely and effectively. Please read this guide carefully before using the product.

## General Safety Guidelines

To ensure safe use of the Marlin Lever Quick Takedown Screw, please follow these guidelines:

- Always handle the screw with care to prevent injury.
- Ensure the firearm is unloaded before attempting to install or remove the screw.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the screw for signs of wear or damage. Do not use if damaged.
- Follow all manufacturer instructions for your firearm when using this screw.
- Report any unsafe conditions or accidents to the relevant authorities.

## Specific Safety Precautions for Use

When using the Marlin Lever Quick Takedown Screw, please observe the following precautions:

- Use appropriate tools to install or remove the screw. Do not use excessive force.
- Ensure a secure grip on the screw during installation and removal to avoid slipping.
- Avoid using the screw in adverse weather conditions that may affect grip and performance.
- If you experience difficulty during installation or removal, stop and reassess the situation before proceeding.
- Do not modify the screw or use it for any purpose other than intended.

## Instructions for Installation and Usage

Follow these steps for the proper installation and usage of the Marlin Lever Quick Takedown Screw:

### 1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather necessary tools, including a compatible screwdriver.

### 2. Installation:

- Align the screw with the designated hole on the firearm.
- Insert the screw and handtighten it to prevent crossthreading.
- Use the screwdriver to securely tighten the screw, ensuring it is snug but not overtightened.

### 3. Removal:

- Use the screwdriver to loosen the screw in a counterclockwise direction.
- Once loose, remove the screw by hand.
- Store the screw in a safe place when not in use.

### 4. Maintenance:

- Regularly clean the screw with a soft cloth to remove dirt and debris.
- Inspect the screw for wear or damage before each use.
- Replace the screw if any damage is detected.

## **Disposal Instructions**

When disposing of the Marlin Lever Quick Takedown Screw, please follow these guidelines:

- Dispose of the screw in accordance with local regulations regarding metal waste.
- Do not dispose of the screw in regular household waste.
- Consider recycling the screw if facilities are available in your area.

## **Contact Information for Further Support**

For any questions or concerns regarding the Marlin Lever Quick Takedown Screw, please refer to the manufacturer's website or customer service for assistance. Always ensure that you are following the latest safety guidelines and product updates.

Thank you for prioritizing safety and proper usage of the Marlin Lever Quick Takedown Screw. Enjoy your shooting experience!
