# Safety Instructions for Marlin Lever Stock Lok Adjustable Grip Stock (Elite Moss)

## Introduction

Thank you for choosing the Marlin Lever Stock Lok Adjustable Grip Stock (Elite Moss). This product is designed to enhance your shooting experience while ensuring safety and comfort. Please read this safety instruction guide carefully to understand how to use and maintain your product safely.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Store the product in a secure location, away from children and unauthorized users.
- Inspect the product regularly for any signs of wear or damage.
- Avoid using the product if it appears damaged or malfunctioning.
- Follow all local laws and regulations regarding firearm accessories.
- Always wear appropriate safety gear when using your firearm, including eye and ear protection.
- Be aware of your surroundings and ensure a safe shooting environment.

## Specific Safety Precautions for Use

- Ensure that the Marlin Lever Stock Lok Adjustable Grip Stock is compatible with your Marlin rifle model before installation.
- Do not attempt to modify or alter the stock in any way, as this may compromise safety and performance.
- Use only the screws and mounting hardware provided in the package for installation.
- Ensure that the adjustable butt stock is securely locked in place before use.
- Always check that the MLOK handguard is properly mounted and secure before shooting.
- Be cautious when adjusting the cheek riser and butt plate to avoid pinching your fingers.
- If you experience any unusual movement or instability during use, discontinue use immediately and inspect the product.

## Instructions for Installation and Usage

### 1. Installation of the MLOK Handguard:

- Remove the existing handguard from your Marlin rifle.
- Align the MLOK handguard with the barrel band tenon.
- Secure the handguard using the provided screws and mounting set screws.
- Ensure that the handguard is tightly secured and does not move.

### 2. Installation of the Adjustable Butt Stock:

- Remove the existing butt stock from your Marlin rifle.
- Attach the adjustable butt stock by aligning it with the rifle's receiver.
- Secure the butt stock using the provided screws.
- Adjust the cheek riser to your desired height and ensure it is locked in place.

### 3. Usage:

- Once installed, ensure that all components are secure before using the rifle.
- Adjust the butt plate to your comfort level, ensuring it is locked in place.
- Utilize the MLOK slots for mounting accessories as needed, ensuring they are properly secured.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact your local waste management facility for guidance on proper disposal methods.

## Contact Information for Further Support

For any inquiries regarding safety, installation, or product performance, please reach out to your local retailer or the manufacturer. Ensure you have your product details handy for a more efficient response.

Thank you for prioritizing safety while using the Marlin Lever Stock Lok Adjustable Grip Stock (Elite Moss). Your adherence to these guidelines will help ensure a safe and enjoyable shooting experience.
