Lok 444 Cartridge Quiver Safety Instructions

Introduction

Thank you for choosing the Lok 444 Cartridge Quiver. This product is designed to hold six rounds of .410 Shot Shell ammunition securely, ensuring quick reloading for your shooting needs. Please read this safety instruction guide carefully to ensure safe and effective use of the cartridge holder.

General Safety Guidelines

- Ensure that the cartridge holder is used only with .410 Shot Shell ammunition. Do not attempt to use it with other calibers, such as 35 Rem, as this may result in safety hazards.
- Always handle ammunition with care to prevent accidental discharge.
- Store the cartridge holder in a safe and secure location when not in use.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the cartridge holder for any signs of damage or wear. If any issues are found, discontinue use immediately.
- Follow all local laws and regulations related to the use and storage of ammunition.

Specific Safety Precautions for Use

- Always ensure that the firearm is pointed in a safe direction when loading or unloading ammunition.
- Before using the cartridge holder, ensure that it is securely attached to your MLOK compatible forend or buttstock.
- Do not overload the cartridge holder. Only load six rounds as designed.
- Avoid exposing the cartridge holder to extreme temperatures, moisture, or harsh chemicals that may compromise its integrity.
- Utilize the proprietary Oring retention system to ensure cartridges are held securely in place during use.
- If you experience any difficulty loading or unloading cartridges, cease use immediately and consult the instructions.

Instructions for Installation and Usage

Installation

1. **Identify MLOK Slots:** Locate two neighboring MLOK slots on your forend or buttstock.
2. **Align the Cartridge Holder:** Position the cartridge holder so that the attachment points align with the MLOK slots.
3. **Secure the Holder:** Using the included hardware, securely fasten the cartridge holder into place. Ensure it is tightly attached and does not move.
4. **Load Cartridges:** Insert up to six rounds of .410 Shot Shell ammunition into the cartridge holder. Ensure they are securely held by the Oring retention system.

Usage

- To access ammunition, simply remove the cartridges from the holder as needed.
- When reloading, ensure that the firearm is in a safe condition before accessing the cartridges.
- After use, check the cartridge holder for any signs of wear or damage.

Disposal Instructions

- Dispose of the cartridge holder in accordance with local regulations regarding metal products.
- Do not dispose of the cartridge holder in regular household waste. Check with local recycling centers for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or additional support, please refer to the contact details provided with your product packaging or on the manufacturer's website.

By following these safety instructions, you can ensure the safe use of your Lok 444 Cartridge Quiver. Thank you for prioritizing safety in your shooting activities.
