Winchester Model 94 Post 64 Loop Lever Safety Instruction Guide

Introduction

Thank you for choosing the Winchester Model 94 Post 64 Loop Lever. This guide provides essential safety instructions and guidelines to ensure the safe and proper use of your product. Please read this manual thoroughly before installation and usage.

General Safety Guidelines

- Ensure that the loop lever is compatible with your Winchester Model 94 rifle, specifically those manufactured after 1964.
- Always handle firearms with care and follow standard safety protocols.
- Store the loop lever and any related components in a secure location, away from children and unauthorized individuals.
- Regularly inspect the loop lever for signs of wear or damage. Do not use a damaged lever.
- Keep this guide in a safe place for future reference.

Specific Safety Precautions for Use

- Always ensure the rifle is unloaded before installing or adjusting the loop lever.
- Use only in conjunction with straight stock rifles chambered in 2535, 3030 WIN, or 3855.
- Do not attempt to modify or alter the loop lever in any way.
- Avoid using the lever with Japanese Miroku models and all Tang Safety models (all rifles made after 2003).
- Be cautious of the potential for pinching or injury during installation and usage.

Instructions for Installation and Usage

1. Preparation:

- Ensure the rifle is completely unloaded.
- Gather necessary tools for installation (if any).

2. Installation:

- Remove the existing loop lever from the rifle by following the manufacturer's instructions.
- Align the new loop lever with the mounting points on the rifle.
- Securely attach the loop lever, ensuring it is firmly in place.

3. Usage:

- Familiarize yourself with the operation of the loop lever.
- Practice using the lever in a safe environment before taking it to the field.
- Always follow safe handling practices while using the rifle.

4. PostInstallation:

- After installation, doublecheck the lever for secure attachment.
- Conduct a function check to ensure proper operation.

Disposal Instructions

- Dispose of any old or damaged loop levers responsibly. Follow local regulations for the disposal of firearm accessories.
- If you need to dispose of the loop lever, consider recycling options where available.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please reach out to your local Winchester representative or authorized dealer.

Thank you for your attention to these safety guidelines. Enjoy your enhanced shooting experience with the Winchester Model 94 Post 64 Loop Lever!
