

## JAE - Bag Rider G2

[Rifle Parts](#) > [Stock Parts](#) > [Butt Plate Parts](#) > [Buttstock Spacers](#)

The JAE Adjustable Bag Rider delivers stability without compromise. Compatible with both JAE-G5 and JAE-G4 chassis, it features fore-aft adjustability, letting you dial in the exact position to match your length-of-pull (LOP) and shooting style.

The slim profile blends seamlessly with the JAE buttstock—no bulk, no distractions. And with zero rear overhang, nothing interferes with buttpad adjustments or clean shouldering.

Its boat hull-shaped underside nests smoothly into your rear bag and glides effortlessly under recoil. The result? Locked-in stability and repeatable shots—no matter the terrain.

# JAE Bag Rider G2 Safety Instruction Guide

## Introduction

Thank you for choosing the JAE Adjustable Bag Rider G2. This product is designed to enhance your shooting experience by providing stability and support. Please read this safety instruction guide carefully to ensure safe and effective use of the Bag Rider.

## General Safety Guidelines

- Ensure the Bag Rider is compatible with your JAEG5 or JAEG4 chassis before use.
- Always inspect the Bag Rider for any damage or wear before installation and use.
- Keep the Bag Rider out of reach of children and vulnerable individuals.
- Follow all local laws and regulations regarding the use of shooting equipment.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Avoid Overloading:** Do not exceed the recommended weight capacity of the Bag Rider.
- **Check Stability:** Before each use, ensure that the Bag Rider is securely attached and stable.
- **Proper Positioning:** Adjust the Bag Rider to match your lengthofpull (LOP) and shooting style for optimal performance.
- **Monitor Surroundings:** Be aware of your environment and ensure a safe shooting area free from hazards.
- **Use Protective Gear:** Always wear appropriate eye and ear protection when shooting.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Attach the Bag Rider to the JAEG5 or JAEG4 chassis according to the manufacturer's guidelines.
- Adjust the Bag Rider for fore/aft positioning to suit your LOP.

### 2. Usage:

- Position the Bag Rider on your rear bag, ensuring it nests smoothly and securely.
- Adjust your stance and grip on the firearm for optimal comfort and control.
- During shooting, maintain focus on your target and be mindful of the Bag Rider's position.

## Disposal Instructions

- Dispose of the Bag Rider in accordance with local regulations regarding plastic and metal waste.
- Do not dispose of the Bag Rider in regular household waste.
- Consider recycling options where available.

## Contact Information for Further Support

For any questions or concerns regarding the JAE Adjustable Bag Rider G2, please contact the manufacturer or your local retailer for assistance. Be sure to have your product details ready for a quicker response.

By following these guidelines, you can ensure a safer and more enjoyable shooting experience with your JAE Adjustable Bag Rider G2. Thank you for prioritizing safety!
