

Ballistic Shooting Glasses - Stone Grey Olive

[Shooting Accessories](#) > [Ear & Eye Protection](#) > [Shooting Glasses](#)

The GTS Ballistic Shooting Glasses are designed to provide reliable eye protection, clear vision, and all-day comfort for shooters in training, competition, and professional environments.

Built for demanding range and field use, they combine a lightweight, durable frame with high-quality protective lenses that shield your eyes from debris, powder residue, and impact hazards. Their ergonomic design ensures a secure fit, even when worn with hearing protection or helmets, while the wide field of view supports fast target transitions and full situational awareness.

Certified to EN 166 CE with a 1F impact rating, the GTS Ballistic Shooting Glasses meet modern safety standards for protective shooting eyewear, giving you confidence in every session - whether on the range or in competition.

The base product is delivered with a transparent lens, making it ideal for indoor shooting, low-light conditions, and general range use. To adapt to different lighting environments, we also offer separate interchangeable lenses in Smoke, Blue Mirror, and Bronze Mirror. All lenses feature a high-quality Revo coating, enhancing visual clarity while reducing glare and reflections in bright conditions.

The result is a modular, high-performance eyewear system that combines certified protection, optical clarity, and maximum flexibility for every shooting scenario.

Safety Instruction Guide for GTS Ballistic Shooting Glasses

Introduction

Thank you for choosing the GTS Ballistic Shooting Glasses. Designed for shooters in various environments, these glasses provide reliable eye protection and comfort. This guide outlines important safety instructions to ensure safe usage and compliance with EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the shooting glasses are used only for their intended purpose: eye protection during shooting activities.
- Always inspect the glasses before use for any signs of damage or wear, including scratches on the lenses or cracks in the frame.
- Keep the glasses clean and free from debris to maintain optimal visibility.
- Store the glasses in a protective case when not in use to avoid damage.
- Use the glasses in accordance with local laws and regulations regarding shooting activities.

Specific Safety Precautions for Use

- **Impact Protection:** The GTS Ballistic Shooting Glasses are certified to EN 166 CE with a 1F impact rating. Always wear them during shooting to protect against flying debris and projectiles.
- **Lens Selection:** Use the appropriate lens for the lighting conditions. The base product includes a transparent lens for lowlight and indoor use. Interchangeable lenses in Smoke, Blue Mirror, and Bronze Mirror are available for varying light conditions.
- **Ergonomic Fit:** Ensure that the glasses fit securely on your face. They should not obstruct your vision or be loose enough to fall off during use.
- **Hearing Protection Compatibility:** If using hearing protection or helmets, confirm that the glasses fit comfortably without compromising their protective capabilities.
- **Children's Use:** These glasses are not intended for use by children without adult supervision. Ensure proper fit and usage when allowing minors to wear them.

Instructions for Installation and Usage

1. Fitting the Glasses:

- Place the glasses on your face, ensuring they sit comfortably on the bridge of your nose and around your ears.
- Adjust the arms of the glasses if necessary to achieve a snug fit.

2. Interchanging Lenses:

- To change lenses, follow the manufacturer's instructions included with the interchangeable lens kit.
- Ensure that the new lens is securely attached before use.

3. Cleaning the Glasses:

- Use a microfiber cloth to clean the lenses. Avoid using abrasive materials that may scratch the surface.
- For deeper cleaning, use a mild soap solution and rinse with clean water. Dry with a soft cloth.

4. Storage:

- Store the shooting glasses in a protective case when not in use.
- Keep them in a cool, dry place away from direct sunlight to prevent lens degradation.

Disposal Instructions

- Dispose of the GTS Ballistic Shooting Glasses in accordance with local waste disposal regulations.
- If the glasses are damaged beyond repair, consider recycling the materials where possible, following local guidelines.

Contact Information for Further Support

For any questions or concerns regarding the safety and usage of the GTS Ballistic Shooting Glasses, please refer to the manufacturer's contact information provided on the packaging or the official website.

By following these safety instructions, you can ensure a safer shooting experience while maximizing the performance of your GTS Ballistic Shooting Glasses. Remember to stay informed about safety recalls and updates through the EU's Safety Gate platform. Thank you for your attention to safety, and enjoy your shooting activities!
