

Ballistic Shooting Glasses - Black

[Shooting Accessories](#) > [Ear & Eye Protection](#) > [Shooting Glasses](#)

The GTS Ballistic Shooting Glasses are designed to provide reliable eye protection, clear vision, and all-day comfort for shooters in training, competition, and professional environments.

Built for demanding range and field use, they combine a lightweight, durable frame with high-quality protective lenses that shield your eyes from debris, powder residue, and impact hazards. Their ergonomic design ensures a secure fit, even when worn with hearing protection or helmets, while the wide field of view supports fast target transitions and full situational awareness.

Certified to EN 166 CE with a 1F impact rating, the GTS Ballistic Shooting Glasses meet modern safety standards for protective shooting eyewear, giving you confidence in every session - whether on the range or in competition.

The base product is delivered with a transparent lens, making it ideal for indoor shooting, low-light conditions, and general range use. To adapt to different lighting environments, we also offer separate interchangeable lenses in Smoke, Blue Mirror, and Bronze Mirror. All lenses feature a high-quality Revo coating, enhancing visual clarity while reducing glare and reflections in bright conditions.

The result is a modular, high-performance eyewear system that combines certified protection, optical clarity, and maximum flexibility for every shooting scenario.

GTS Ballistic Shooting Glasses Safety Instruction Guide

Introduction

Thank you for choosing the GTS Ballistic Shooting Glasses. Designed for shooters in training, competition, and professional environments, these glasses provide reliable eye protection, clear vision, and all-day comfort. This guide contains important safety instructions to ensure the safe use of your shooting glasses in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

To ensure your safety and the effective use of the GTS Ballistic Shooting Glasses, please follow these general safety guidelines:

- Always inspect the glasses for any damage before use.
- Ensure that the glasses fit securely on your face and do not obstruct your vision.
- Use the glasses only for their intended purpose—protection during shooting activities.
- Avoid using the glasses if they are scratched or damaged, as this may compromise visibility and protection.
- Keep the glasses clean to maintain optical clarity and performance.
- Store the glasses in a protective case when not in use to prevent damage.
- Do not modify or alter the glasses in any way.

Specific Safety Precautions for Use

When using the GTS Ballistic Shooting Glasses, please adhere to the following specific safety precautions:

- Ensure that the glasses are compatible with any additional protective gear, such as hearing protection or helmets.
- Use the transparent lens for indoor shooting and lowlight conditions.
- Switch to interchangeable lenses (Smoke, Blue Mirror, or Bronze Mirror) based on your lighting environment.
- Be aware of your surroundings and maintain full situational awareness while wearing the glasses.
- Avoid using the glasses in environments where they may be exposed to extreme temperatures or chemicals that could damage the lenses or frame.
- If you experience any discomfort or vision issues while wearing the glasses, discontinue use immediately and consult a professional.

Instructions for Installation and Usage

Follow these instructions for proper installation and usage of your GTS Ballistic Shooting Glasses:

1. Fitting the Glasses:

- Place the glasses on your face and adjust the frame to ensure a snug fit.
- Make sure the lenses sit comfortably in front of your eyes without gaps.

2. Interchangeable Lenses:

- To change lenses, follow these steps:
 - Hold the frame firmly and gently push on the lens from the back to release it.
 - Align the new lens with the frame and press it into place until it clicks securely.

- Ensure there are no gaps between the lens and frame.

3. **Cleaning the Glasses:**

- Use a microfiber cloth to gently clean the lenses.
- Avoid using abrasive materials or harsh chemicals that could scratch or damage the lenses.

4. **Storing the Glasses:**

- When not in use, place the glasses in the provided protective case.
- Keep the case in a cool, dry place to avoid damage.

Disposal Instructions

When it comes time to dispose of your GTS Ballistic Shooting Glasses, please follow these guidelines:

- If the glasses are damaged beyond repair, dispose of them according to local regulations for plastic and electronic waste.
- Do not throw the glasses in regular trash as they may not decompose properly.
- Consider recycling components where possible, such as the frame and lenses, in accordance with local recycling programs.

Contact Information for Further Support

For any safety inquiries or further support regarding your GTS Ballistic Shooting Glasses, please refer to the contact information provided with your product packaging or visit the manufacturer's website.

By following these safety instructions, you can ensure a safe and enjoyable experience with your GTS Ballistic Shooting Glasses. Remember to stay informed about safety updates and product recalls through the EU's Safety Gate platform. Thank you for prioritizing your safety and the safety of those around you.
