

# ACC Premier Gen 2 System - MDT Chassis - ACC Premier Gen2 System - Tikka T3 - LA - RH - BLK

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The ACC Premier GEN2 is the next evolution of the industry-defining ACC Premier, integrating advancements inspired by the ACC Elite. With a taller integrated barricade stop, a thicker and more rigid forend, and precision-drilled holes for NV and Control Bridge compatibility, this chassis raises the bar for competitive shooting.

Designed with modern rimfire competitions in mind, the compact 15" forend accommodates a wide range of barrel sizes while eliminating flex and torsion for rock-solid stability on barricades and PRS props. The wide, flat profile and full-length ARCA rail provide unmatched versatility, allowing seamless mounting of bipods and tripods for superior balance and control.

Balancing your rifle is critical for rapid target acquisition and accurate follow-up shots. The ACC Premier GEN2 is fully compatible with MDT's weight system, giving you the flexibility to fine-tune your setup. Combined with highly adjustable ergonomics—cheek weld, hand position, and length of pull—you'll achieve a custom fit that enhances both comfort and precision.

Installation is fast and straightforward: simply drop your action into place and secure it with two screws—no complex gunsmithing required. At its core lies the precision-engineered V-Block bedding system, ensuring consistent contact between the action and chassis. This eliminates unwanted movement under recoil, maximizing accuracy and stability shot after shot.

With a wide range of optional accessories available, the MDT ACC Premier GEN2 Chassis System offers the precision, rigidity, and customization serious competitors demand—giving you the edge to dominate every stage.

## Attributes

- Name: [MDT Chassis - ACC Premier Gen2 System - Tikka T3 - LA - RH - BLK](#)
- Manufacturer: [MDT](#)
- Product no.: EU2015510
- Mfr. No.: 114876-BLK
- Colour: Black
- Material: 6061 Aluminum
- Model: T3
- Style: Chassis
- Weapon type: Tikka
- Delivery weight: 3.71kg
- Shipping height: 156mm
- Shipping width: 187mm
- Shipping length: 791mm
- UPC: 990482726096

# Safety Instruction Guide for ACC Premier Gen 2 System MDT Chassis

## Introduction

Thank you for choosing the ACC Premier Gen 2 System MDT Chassis. This guide provides important safety information and instructions to ensure the safe use and installation of your product. Please read this guide carefully before using the chassis.

## General Safety Guidelines

- Ensure that the chassis is used only with compatible firearms and accessories.
- Always handle firearms with care, treating every gun as if it is loaded.
- Keep the chassis and all components out of reach of children and unauthorized users.
- Inspect the chassis and all accessories regularly for signs of wear or damage.
- Always wear appropriate eye and ear protection when using firearms.
- Be aware of your surroundings and ensure that you are in a safe environment when handling or using firearms.

## Specific Safety Precautions for Use

- Before installation, ensure that the firearm is unloaded and the action is open.
- Use only the screws provided with the chassis for installation; do not substitute with other screws.
- Ensure that the action of the firearm is properly seated in the chassis before securing with screws.
- Avoid overtightening screws, as this may damage the chassis or the firearm.
- When using the chassis in competitive shooting, ensure that it is securely mounted to prevent movement during use.
- If using optional accessories, ensure they are compatible with the chassis and installed according to the manufacturer's instructions.

## Instructions for Installation and Usage

### 1. Prepare Your Workspace

- Ensure you have a clean, flat surface to work on.
- Gather all necessary tools and components, including the chassis, screws, and your firearm.

### 2. Install the Chassis

- Ensure the firearm is unloaded and the action is open.
- Carefully drop your action into the chassis, aligning it with the bedding system.
- Secure the action in place using the two screws provided. Tighten them gently to avoid overtightening.

### 3. Adjust the Chassis

- Adjust the cheek weld, hand position, and length of pull to fit your preferences.
- Ensure all adjustments are secure before using the chassis.

### 4. Mount Accessories

- If using bipods or tripods, attach them to the ARCA rail following the manufacturer's instructions.
- Ensure that all accessories are securely mounted before use.

## 5. Usage

- When using the chassis, maintain a proper shooting stance and grip.
- Regularly check the stability of the chassis and any mounted accessories during use.

## Disposal Instructions

- When disposing of the chassis or any components, follow local regulations regarding the disposal of aluminum and other materials.
- Ensure that all firearms and accessories are safely dismantled and disposed of in accordance with local laws.

## Contact Information for Further Support

For any questions or concerns regarding the safety and use of the ACC Premier Gen 2 System MDT Chassis, please refer to the manufacturer's contact information provided with the product packaging or on the manufacturer's website.

## Conclusion

Your safety is our priority. By following the guidelines and instructions in this document, you can ensure a safe and enjoyable experience with your ACC Premier Gen 2 System MDT Chassis. Always stay informed about safety practices and report any unsafe conditions to the appropriate authorities.
