

# ACC Premier Gen 2 System - MDT Chassis - ACC Premier Gen2 System - Tikka T3 - LA - RH - FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The ACC Premier GEN2 is the next evolution of the industry-defining ACC Premier, integrating advancements inspired by the ACC Elite. With a taller integrated barricade stop, a thicker and more rigid forend, and precision-drilled holes for NV and Control Bridge compatibility, this chassis raises the bar for competitive shooting.

Designed with modern rimfire competitions in mind, the compact 15" forend accommodates a wide range of barrel sizes while eliminating flex and torsion for rock-solid stability on barricades and PRS props. The wide, flat profile and full-length ARCA rail provide unmatched versatility, allowing seamless mounting of bipods and tripods for superior balance and control.

Balancing your rifle is critical for rapid target acquisition and accurate follow-up shots. The ACC Premier GEN2 is fully compatible with MDT's weight system, giving you the flexibility to fine-tune your setup. Combined with highly adjustable ergonomics—cheek weld, hand position, and length of pull—you'll achieve a custom fit that enhances both comfort and precision.

Installation is fast and straightforward: simply drop your action into place and secure it with two screws—no complex gunsmithing required. At its core lies the precision-engineered V-Block bedding system, ensuring consistent contact between the action and chassis. This eliminates unwanted movement under recoil, maximizing accuracy and stability shot after shot.

With a wide range of optional accessories available, the MDT ACC Premier GEN2 Chassis System offers the precision, rigidity, and customization serious competitors demand—giving you the edge to dominate every stage.

## Attributes

- Name: [MDT Chassis - ACC Premier Gen2 System - Tikka T3 - LA - RH - FDE](#)
- Manufacturer: [MDT](#)
- Product no.: EU2015511

# ACC Premier Gen 2 System MDT Chassis Safety Instruction Guide

## Introduction

Thank you for choosing the ACC Premier Gen 2 System MDT Chassis. This product has been designed to enhance your shooting experience while ensuring safety and performance. Please read and follow these safety instructions carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that all users are familiar with the product and its features before use.
- Always follow safe handling practices when dealing with firearms and related equipment.
- Inspect the chassis and all components for any signs of damage or wear before each use.
- Keep the chassis and all accessories out of reach of children and vulnerable individuals.
- Store the chassis in a secure location when not in use.

## Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE):** Always wear appropriate PPE, including eye and ear protection, when using firearms.
- **Firearm Compatibility:** Ensure that your firearm is compatible with the ACC Premier Gen 2 System MDT Chassis, specifically for the Tikka T3 model.
- **Proper Setup:** Make sure that the chassis is securely installed and that all screws are tightened before using the firearm.
- **Weight Adjustments:** If utilizing the MDT weight system, ensure weights are securely attached to avoid any shifting during use.
- **Environmental Conditions:** Avoid using the chassis in extreme weather conditions that could affect performance.
- **Training:** Seek professional training if you are unfamiliar with firearm operation and handling.

## Instructions for Installation and Usage

### 1. Installation:

- Remove the action from your Tikka T3 firearm.
- Place the action into the ACC Premier Gen 2 Chassis.
- Secure the action using the provided screws, ensuring they are tightened appropriately.
- Check that the chassis is stable and securely attached before proceeding.

### 2. Usage:

- Always ensure the firearm is pointed in a safe direction.
- Confirm that the area is clear of people and obstacles before firing.
- Adjust the cheek weld, hand position, and length of pull to achieve a comfortable fit.
- Use the integrated barricade stop for stability when shooting from barricades.

### 3. PostUse:

- After use, clean the chassis and inspect for any signs of wear or damage.
- Store the chassis in a secure location, ensuring it is out of reach of children.

## Disposal Instructions

- Dispose of the chassis and any associated materials in accordance with local regulations.
- Do not dispose of any components in regular household waste.
- Check with local waste management authorities for proper disposal methods.

## Contact Information for Further Support

For further assistance or inquiries regarding safety and usage, please refer to the product documentation or the manufacturer's website. Always ensure to stay updated with any recall notices or safety updates regarding the product.

Thank you for your attention to these safety guidelines. Your safety is our priority, and we hope you enjoy your shooting experience with the ACC Premier Gen 2 System MDT Chassis.
