

# ACC Premier Gen 2 System - MDT Chassis - ACC Premier Gen2 System - Tikka T3 - LA - RH - CCG

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The ACC Premier GEN2 is the next evolution of the industry-defining ACC Premier, integrating advancements inspired by the ACC Elite. With a taller integrated barricade stop, a thicker and more rigid forend, and precision-drilled holes for NV and Control Bridge compatibility, this chassis raises the bar for competitive shooting.

Designed with modern rimfire competitions in mind, the compact 15" forend accommodates a wide range of barrel sizes while eliminating flex and torsion for rock-solid stability on barricades and PRS props. The wide, flat profile and full-length ARCA rail provide unmatched versatility, allowing seamless mounting of bipods and tripods for superior balance and control.

Balancing your rifle is critical for rapid target acquisition and accurate follow-up shots. The ACC Premier GEN2 is fully compatible with MDT's weight system, giving you the flexibility to fine-tune your setup. Combined with highly adjustable ergonomics—cheek weld, hand position, and length of pull—you'll achieve a custom fit that enhances both comfort and precision.

Installation is fast and straightforward: simply drop your action into place and secure it with two screws—no complex gunsmithing required. At its core lies the precision-engineered V-Block bedding system, ensuring consistent contact between the action and chassis. This eliminates unwanted movement under recoil, maximizing accuracy and stability shot after shot.

With a wide range of optional accessories available, the MDT ACC Premier GEN2 Chassis System offers the precision, rigidity, and customization serious competitors demand—giving you the edge to dominate every stage.

## Attributes

- Name: [MDT Chassis - ACC Premier Gen2 System - Tikka T3 - LA - RH - CCG](#)
- Manufacturer: [MDT](#)
- Product no.: EU2015512
- Mfr. No.: 114876-CCG
- Colour: Charcoal/Green
- Material: 6061 Aluminum
- Model: T3
- Style: Chassis
- Weapon type: Tikka
- Delivery weight: 3.71kg
- Shipping height: 156mm
- Shipping width: 187mm
- Shipping length: 791mm
- UPC: 990482726102

# Safety Instruction Guide for ACC Premier Gen 2 System MDT Chassis

## Introduction

Thank you for choosing the ACC Premier Gen 2 System MDT Chassis. This guide provides important safety information and instructions to ensure the safe and effective use of your product. Please read this guide carefully before using the chassis to familiarize yourself with its features and safety precautions.

## General Safety Guidelines

- Ensure that the chassis is used in accordance with all applicable laws and regulations.
- Always handle firearms safely and responsibly.
- Keep the chassis and all related accessories out of reach of children and unauthorized users.
- Regularly inspect the chassis for any signs of wear or damage before use.
- If you notice any defects or irregularities, do not use the chassis and contact a qualified professional for assistance.
- Be aware of your surroundings and ensure a safe shooting environment.

## Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using firearms.
- Ensure that the rifle is unloaded before installing or adjusting the chassis.
- Never point the rifle at anything you do not intend to shoot.
- Follow the manufacturer's instructions for the installation and adjustment of the chassis.
- Be cautious when adjusting the weight system to avoid unintentional changes in balance.
- Do not exceed the recommended weight limits for the chassis setup.
- Use the chassis only with compatible firearms as specified by the manufacturer.
- Avoid using the chassis in extreme weather conditions that may affect performance.

## Instructions for Installation and Usage

### 1. Installation

- Ensure that the rifle is unloaded and pointed in a safe direction.
- Place the action of the rifle into the chassis.
- Secure the action using the two screws provided. Ensure they are tightened adequately but do not overtighten.
- Check the alignment and fit of the action within the chassis.
- Adjust the length of pull, cheek weld, and hand position to achieve a comfortable fit.

### 2. Usage

- Before each use, perform a safety check to ensure the rifle is functioning correctly.
- When using the chassis, maintain a stable shooting position to enhance accuracy.
- Regularly check the chassis for tightness of screws and stability of the setup.
- If using accessories such as bipods or tripods, ensure they are securely attached to the ARCA rail.
- After use, clean the chassis according to the manufacturer's recommendations to maintain its condition.

## **Disposal Instructions**

- Dispose of the chassis and any related components in accordance with local regulations.
- Do not dispose of the chassis in regular household waste.
- If the chassis is no longer usable, consider recycling options available in your area.

## **Contact Information for Further Support**

For any questions or concerns regarding the ACC Premier Gen 2 System MDT Chassis, please reach out to the manufacturer or an authorized dealer for assistance.

Thank you for your attention to these safety guidelines. Your safety is our priority, and we hope you enjoy using your ACC Premier Gen 2 System MDT Chassis responsibly.
