

# ACC Premier Gen 2 System - MDT Chassis - ACC Premier Gen2 System - Remington 700 - LA - CIP - RH - BLK

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The ACC Premier GEN2 is the next evolution of the industry-defining ACC Premier, integrating advancements inspired by the ACC Elite. With a taller integrated barricade stop, a thicker and more rigid forend, and precision-drilled holes for NV and Control Bridge compatibility, this chassis raises the bar for competitive shooting.

Designed with modern rimfire competitions in mind, the compact 15" forend accommodates a wide range of barrel sizes while eliminating flex and torsion for rock-solid stability on barricades and PRS props. The wide, flat profile and full-length ARCA rail provide unmatched versatility, allowing seamless mounting of bipods and tripods for superior balance and control.

Balancing your rifle is critical for rapid target acquisition and accurate follow-up shots. The ACC Premier GEN2 is fully compatible with MDT's weight system, giving you the flexibility to fine-tune your setup. Combined with highly adjustable ergonomics—cheek weld, hand position, and length of pull—you'll achieve a custom fit that enhances both comfort and precision.

Installation is fast and straightforward: simply drop your action into place and secure it with two screws—no complex gunsmithing required. At its core lies the precision-engineered V-Block bedding system, ensuring consistent contact between the action and chassis. This eliminates unwanted movement under recoil, maximizing accuracy and stability shot after shot.

With a wide range of optional accessories available, the MDT ACC Premier GEN2 Chassis System offers the precision, rigidity, and customization serious competitors demand—giving you the edge to dominate every stage.

## Attributes

- Name: [MDT Chassis - ACC Premier Gen2 System - Remington 700 - LA - CIP - RH - BLK](#)
- Manufacturer: [MDT](#)
- Product no.: EU2015516

# Safety Instruction Guide for ACC Premier Gen 2 System MDT Chassis

## Introduction

Thank you for choosing the ACC Premier Gen 2 System MDT Chassis. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this manual thoroughly before installation and usage. Adhering to these guidelines will help prevent accidents and ensure optimal performance.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified in this manual.
- Always handle the chassis with care to avoid injury and damage.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the chassis for any signs of wear or damage.
- Report any unsafe conditions or accidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using firearms equipped with the chassis.
- Ensure that the rifle is unloaded before installing or making adjustments to the chassis.
- Verify that all screws and components are securely tightened before use.
- Avoid using the chassis in wet or damp conditions to prevent corrosion and malfunction.
- Do not modify the chassis or use noncompatible accessories that could compromise safety.
- Be aware of your surroundings and ensure a safe shooting environment at all times.

## Instructions for Installation and Usage

### 1. Installation:

- Carefully remove the chassis from its packaging and inspect for any damage.
- Ensure that you have the necessary tools for installation, including a screwdriver.
- Place your action into the chassis, aligning it with the designated slots.
- Secure the action using the provided screws. Tighten them firmly but do not overtighten to avoid stripping the threads.
- Confirm that the action is stable and does not move within the chassis.

### 2. Usage:

- Before each use, perform a safety check to ensure the rifle is unloaded.
- Adjust the chassis for a comfortable fit, including cheek weld and length of pull.
- When mounting bipods or tripods, ensure they are securely attached to the ARCA rail.
- Practice safe handling and shooting techniques at all times.

## Disposal Instructions

- Dispose of the chassis in accordance with local regulations concerning metal recycling.
- If the chassis is damaged beyond repair, ensure it is disposed of in a manner that prevents injury or environmental harm.
- Remove any nonrecyclable components before disposal.

## **Contact Information for Further Support**

For any inquiries regarding the safety of your product, please refer to the EUbased contact information provided with your purchase.

By following these guidelines, you can ensure a safe and enjoyable experience with your ACC Premier Gen 2 System MDT Chassis. Thank you for your attention to safety.
