

ACC Premier Gen 2 System - MDT Chassis - ACC Premier Gen2 System - Remington 700 - LA - CIP - RH - FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The ACC Premier GEN2 is the next evolution of the industry-defining ACC Premier, integrating advancements inspired by the ACC Elite. With a taller integrated barricade stop, a thicker and more rigid forend, and precision-drilled holes for NV and Control Bridge compatibility, this chassis raises the bar for competitive shooting.

Designed with modern rimfire competitions in mind, the compact 15" forend accommodates a wide range of barrel sizes while eliminating flex and torsion for rock-solid stability on barricades and PRS props. The wide, flat profile and full-length ARCA rail provide unmatched versatility, allowing seamless mounting of bipods and tripods for superior balance and control.

Balancing your rifle is critical for rapid target acquisition and accurate follow-up shots. The ACC Premier GEN2 is fully compatible with MDT's weight system, giving you the flexibility to fine-tune your setup. Combined with highly adjustable ergonomics—cheek weld, hand position, and length of pull—you'll achieve a custom fit that enhances both comfort and precision.

Installation is fast and straightforward: simply drop your action into place and secure it with two screws—no complex gunsmithing required. At its core lies the precision-engineered V-Block bedding system, ensuring consistent contact between the action and chassis. This eliminates unwanted movement under recoil, maximizing accuracy and stability shot after shot.

With a wide range of optional accessories available, the MDT ACC Premier GEN2 Chassis System offers the precision, rigidity, and customization serious competitors demand—giving you the edge to dominate every stage.

ACC Premier Gen 2 System MDT Chassis Safety Instructions

Introduction

Thank you for choosing the ACC Premier Gen 2 System MDT Chassis. This guide provides essential safety instructions to ensure the safe use and installation of your chassis. Please read this manual carefully before use to maximize safety and performance.

General Safety Guidelines

- Always handle firearms and accessories with care. Treat every firearm as if it is loaded.
- Ensure that the chassis is compatible with your firearm model before installation.
- Keep the chassis out of reach of children and unauthorized users.
- Regularly inspect the chassis for wear, damage, or loose components.
- Follow all local laws and regulations regarding firearm ownership and usage.
- In case of an emergency, contact local authorities immediately.

Specific Safety Precautions for Use

- Ensure you are using the chassis in a safe environment, away from distractions and potential hazards.
- Always wear appropriate safety gear, including eye and ear protection when shooting.
- Do not exceed the recommended weight limits when using the MDT weight system.
- Be aware of your surroundings and ensure a clear line of fire before shooting.
- Avoid using the chassis in wet or slippery conditions to prevent accidents.
- Do not attempt to modify or alter the chassis in any way that is not approved by the manufacturer.

Instructions for Installation and Usage

1. Preparation:

- Ensure that you have all necessary tools and components before starting the installation.
- Read the installation instructions thoroughly before proceeding.

2. Installation Steps:

- Remove the action from your firearm according to the manufacturer's guidelines.
- Place the action into the chassis, ensuring it is seated properly.
- Secure the action using the provided screws. Tighten them firmly but do not overtighten to avoid damage.
- If using optional accessories, attach them as per their specific instructions.

3. Usage:

- Adjust the cheek weld, hand position, and length of pull to achieve a comfortable and secure fit.
- Ensure that all adjustments are locked in place before using the chassis.
- When ready to shoot, maintain a proper shooting stance and grip.

4. PostUse Care:

- Clean the chassis after use to prevent corrosion and maintain performance.
- Store the chassis in a safe and dry location when not in use.

Disposal Instructions

- Dispose of the chassis in accordance with local regulations regarding metal recycling and waste disposal.
- Do not incinerate or expose the chassis to extreme heat.

Contact Information for Further Support

For any inquiries or concerns regarding safety or product performance, please refer to the contact information provided by the manufacturer. Ensure that you have your product details ready for efficient assistance.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your ACC Premier Gen 2 System MDT Chassis. Always prioritize safety and compliance with local regulations while using your firearm and accessories. Thank you for your attention to these important guidelines.
