

# ACC Premier Gen 2 System - MDT Chassis - ACC Premier Gen2 System - Remington 700 - LA - CIP - RH - CCG

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The ACC Premier GEN2 is the next evolution of the industry-defining ACC Premier, integrating advancements inspired by the ACC Elite. With a taller integrated barricade stop, a thicker and more rigid forend, and precision-drilled holes for NV and Control Bridge compatibility, this chassis raises the bar for competitive shooting.

Designed with modern rimfire competitions in mind, the compact 15" forend accommodates a wide range of barrel sizes while eliminating flex and torsion for rock-solid stability on barricades and PRS props. The wide, flat profile and full-length ARCA rail provide unmatched versatility, allowing seamless mounting of bipods and tripods for superior balance and control.

Balancing your rifle is critical for rapid target acquisition and accurate follow-up shots. The ACC Premier GEN2 is fully compatible with MDT's weight system, giving you the flexibility to fine-tune your setup. Combined with highly adjustable ergonomics—cheek weld, hand position, and length of pull—you'll achieve a custom fit that enhances both comfort and precision.

Installation is fast and straightforward: simply drop your action into place and secure it with two screws—no complex gunsmithing required. At its core lies the precision-engineered V-Block bedding system, ensuring consistent contact between the action and chassis. This eliminates unwanted movement under recoil, maximizing accuracy and stability shot after shot.

With a wide range of optional accessories available, the MDT ACC Premier GEN2 Chassis System offers the precision, rigidity, and customization serious competitors demand—giving you the edge to dominate every stage.

## Attributes

- Name: [MDT Chassis - ACC Premier Gen2 System - Remington 700 - LA - CIP - RH - CCG](#)
- Manufacturer: [MDT](#)
- Product no.: EU2015518

# Safety Instruction Guide for ACC Premier Gen 2 System MDT Chassis

## Introduction

Thank you for choosing the ACC Premier Gen 2 System MDT Chassis. This guide provides essential safety instructions and guidelines to ensure the safe use of your chassis. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure safe use of the ACC Premier Gen 2 System MDT Chassis by following these guidelines:
  - Always handle firearms responsibly and in accordance with local laws and regulations.
  - Keep the chassis and all components out of reach of children and unauthorized users.
  - Inspect the chassis regularly for any signs of wear or damage. If any issues are detected, discontinue use immediately and consult a qualified professional.
  - Use this product only for its intended purpose. Do not modify or alter the chassis in any way that may compromise safety.
  - Be aware of your surroundings when using the chassis, especially in shooting environments. Ensure a safe backdrop and that no unauthorized persons are in the vicinity.
  - Always wear appropriate safety gear, including eye and ear protection, when using firearms.

## Specific Safety Precautions for Use

- To maximize safety when using the ACC Premier Gen 2 System MDT Chassis, adhere to the following precautions:
  - Ensure that the firearm is unloaded before installing or removing the chassis.
  - Follow the manufacturer's recommendations for compatible firearms and accessories.
  - Do not exceed the recommended weight limits when adding accessories to the chassis.
  - Always check the stability of the chassis when mounted on barricades or PRS props. Ensure it is secure before taking any shots.
  - Be cautious of sharp edges and points on the chassis during handling and installation.
  - If you experience any difficulty during installation or operation, seek assistance from a qualified gunsmith.

## Instructions for Installation and Usage

- Follow these steps for the proper installation and usage of your ACC Premier Gen 2 System MDT Chassis:
  1. **Preparation:**
    - Gather all necessary tools and components.
    - Ensure you are in a clean, welllit workspace.
  2. **Installation:**
    - Ensure the firearm is unloaded.
    - Carefully drop the action into the chassis.
    - Secure the action in place using the two screws provided. Ensure they are tightened adequately, but do not overtighten.
    - Check that the action is stable and securely mounted in the chassis.
  3. **Usage:**
    - Adjust the ergonomics of the chassis to fit your personal preferences. Make adjustments to cheek weld, hand position, and length of pull as needed.
    - Test the balance of your rifle with the chassis before engaging in shooting activities.
    - When ready to shoot, ensure your stance is stable and that you are familiar with the operation of your firearm.

## **Disposal Instructions**

- Proper disposal of the ACC Premier Gen 2 System MDT Chassis is important for environmental safety:
  - Do not dispose of the chassis in regular household waste.
  - Check local regulations for recycling or disposal of aluminum products.
  - If the chassis is damaged beyond repair, contact your local waste management facility for guidance on safe disposal methods.

## **Contact Information for Further Support**

- For any inquiries or concerns regarding safety and usage, please reach out to the manufacturer's customer support. Ensure you have the product details ready for reference.

By following these safety instructions, you can ensure a safe and enjoyable experience with your ACC Premier Gen 2 System MDT Chassis. Thank you for your attention to safety, and good luck in your competitive shooting endeavors!
