

# ACC Premier Gen 2 System - MDT Chassis - ACC Premier Gen2 System - Ruger American - Rimfire - RH - BLK

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The ACC Premier GEN2 is the next evolution of the industry-defining ACC Premier, integrating advancements inspired by the ACC Elite. With a taller integrated barricade stop, a thicker and more rigid forend, and precision-drilled holes for NV and Control Bridge compatibility, this chassis raises the bar for competitive shooting.

Designed with modern rimfire competitions in mind, the compact 15" forend accommodates a wide range of barrel sizes while eliminating flex and torsion for rock-solid stability on barricades and PRS props. The wide, flat profile and full-length ARCA rail provide unmatched versatility, allowing seamless mounting of bipods and tripods for superior balance and control.

Balancing your rifle is critical for rapid target acquisition and accurate follow-up shots. The ACC Premier GEN2 is fully compatible with MDT's weight system, giving you the flexibility to fine-tune your setup. Combined with highly adjustable ergonomics—cheek weld, hand position, and length of pull—you'll achieve a custom fit that enhances both comfort and precision.

Installation is fast and straightforward: simply drop your action into place and secure it with two screws—no complex gunsmithing required. At its core lies the precision-engineered V-Block bedding system, ensuring consistent contact between the action and chassis. This eliminates unwanted movement under recoil, maximizing accuracy and stability shot after shot.

With a wide range of optional accessories available, the MDT ACC Premier GEN2 Chassis System offers the precision, rigidity, and customization serious competitors demand—giving you the edge to dominate every stage.

## Attributes

- Name: [MDT Chassis - ACC Premier Gen2 System - Ruger American - Rimfire - RH - BLK](#)
- Manufacturer: [MDT](#)
- Product no.: EU2015542
- Mfr. No.: 114882-BLK
- Colour: Black
- Material: 6061 Aluminum
- Model: American
- Style: Chassis
- Weapon type: Ruger
- Delivery weight: 1kg
- Shipping height: 100mm
- Shipping width: 100mm
- Shipping length: 100mm
- UPC: 990482727109

# ACC Premier Gen 2 System MDT Chassis Safety Instruction Guide

## Introduction

Thank you for choosing the ACC Premier Gen 2 System MDT Chassis. This guide provides essential safety information and instructions to ensure the safe and effective use of your chassis. Please read this manual carefully before installation and use, and keep it for future reference.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the ACC Premier Gen 2 Chassis by following all safety instructions. This product is designed for competitive shooting and should be used responsibly.
- **Enhanced Recalls:** Be aware of any recalls or safety notices related to this product. You can check for updates on the EU's Safety Gate platform.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety requirements as mandated by EU regulations.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please refer to the contact information provided by the manufacturer or retailer.
- **Rapid Alerts:** Stay informed about any safety alerts regarding this product through the Safety Gate system.

## Specific Safety Precautions for Use

- **Read the Manual:** Always read the user manual before using the chassis.
- **Inspect Before Use:** Check the chassis for any visible damage or defects before installation. Do not use if damaged.
- **Proper Handling:** Always handle the chassis with care to avoid injury or damage.
- **Use Appropriate Accessories:** Only use accessories that are compatible with the ACC Premier Gen 2 Chassis.
- **Avoid Modifications:** Do not modify the chassis in any way that could compromise its structural integrity or safety.
- **Safe Storage:** Store the chassis in a secure location to prevent unauthorized access.
- **Follow Local Laws:** Ensure compliance with all local laws and regulations regarding firearm accessories.

## Instructions for Installation and Usage

### Installation Instructions

1. **Preparation:** Ensure you have all necessary tools and components before beginning installation.
2. **Drop Action:** Place your action into the chassis as per the manufacturer's instructions.
3. **Secure with Screws:** Use the provided screws to secure the action in place. Make sure they are tightened adequately, but do not overtighten.
4. **Check Compatibility:** Ensure that all components, including the weight system, bipods, and other accessories, are properly fitted and compatible.
5. **Final Inspection:** After installation, inspect the chassis to ensure everything is secure and properly aligned.

### Usage Instructions

- **Balance Your Rifle:** Adjust the weight system to achieve optimal balance for your shooting style.
- **Adjust Ergonomics:** Modify the cheek weld, hand position, and length of pull to fit your personal

comfort and shooting preference.

- **Practice Safe Shooting:** Always follow safe shooting practices, including proper stance, aiming, and trigger control.
- **Regular Maintenance:** Periodically check the chassis for wear and tear, and perform necessary maintenance to ensure continued safety and performance.

## Disposal Instructions

- **Environmental Considerations:** Dispose of the chassis and any accessories in accordance with local environmental regulations.
- **Recycling:** If possible, recycle components made of aluminum or other recyclable materials.
- **Hazardous Materials:** If any part of the chassis is deemed hazardous, consult local authorities for proper disposal methods.

## Contact Information for Further Support

For any questions or concerns regarding the ACC Premier Gen 2 System MDT Chassis, please refer to the manufacturer's contact information provided with your product packaging or on their official website.

By following these guidelines, you can ensure the safe and effective use of your ACC Premier Gen 2 System MDT Chassis. Thank you for your attention to safety and compliance.
