

ACC Premier Gen 2 System - MDT Chassis - ACC Premier Gen2 System - Ruger American - Rimfire - RH - FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The ACC Premier GEN2 is the next evolution of the industry-defining ACC Premier, integrating advancements inspired by the ACC Elite. With a taller integrated barricade stop, a thicker and more rigid forend, and precision-drilled holes for NV and Control Bridge compatibility, this chassis raises the bar for competitive shooting.

Designed with modern rimfire competitions in mind, the compact 15" forend accommodates a wide range of barrel sizes while eliminating flex and torsion for rock-solid stability on barricades and PRS props. The wide, flat profile and full-length ARCA rail provide unmatched versatility, allowing seamless mounting of bipods and tripods for superior balance and control.

Balancing your rifle is critical for rapid target acquisition and accurate follow-up shots. The ACC Premier GEN2 is fully compatible with MDT's weight system, giving you the flexibility to fine-tune your setup. Combined with highly adjustable ergonomics—cheek weld, hand position, and length of pull—you'll achieve a custom fit that enhances both comfort and precision.

Installation is fast and straightforward: simply drop your action into place and secure it with two screws—no complex gunsmithing required. At its core lies the precision-engineered V-Block bedding system, ensuring consistent contact between the action and chassis. This eliminates unwanted movement under recoil, maximizing accuracy and stability shot after shot.

With a wide range of optional accessories available, the MDT ACC Premier GEN2 Chassis System offers the precision, rigidity, and customization serious competitors demand—giving you the edge to dominate every stage.

ACC Premier Gen 2 System MDT Chassis Safety Instructions

Introduction

Thank you for choosing the ACC Premier Gen 2 System MDT Chassis. This product is designed for competitive shooting and should be used with care to ensure safety and optimal performance. Please read and follow these safety instructions to ensure safe use of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this manual.
- Always handle firearms with care and in accordance with local laws and regulations.
- Keep this product out of reach of children and unauthorized users.
- Regularly inspect the chassis for any signs of wear or damage before use.
- If you notice any defects or issues, do not use the product and contact a qualified professional for assistance.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always ensure that the rifle is unloaded before attaching or detaching the chassis.
- Use the chassis only with compatible firearms as specified by the manufacturer.
- Ensure that all screws and fasteners are securely tightened before use.
- Do not exceed the recommended weight limits when using the MDT weight system.
- Be aware of your surroundings and ensure a safe shooting environment.
- Always wear appropriate safety gear, including eye and ear protection, when using firearms.
- Do not modify the chassis or use unauthorized accessories that may compromise safety.

Instructions for Installation and Usage

1. Installation:

- Ensure that the rifle is unloaded and the action is clear.
- Carefully drop the action into the chassis, aligning it correctly with the bedding system.
- Secure the action in place using the provided screws. Tighten them evenly to ensure a secure fit.
- Check that the chassis is properly attached and that there is no movement.

2. Usage:

- Adjust the ergonomics of the chassis, including cheek weld, hand position, and length of pull, to fit your preferences.
- Ensure that the forend is stable and free from flex or torsion before firing.
- Mount bipods or tripods on the ARCA rail for enhanced stability and control during use.
- Regularly check the stability and alignment of the chassis during use, especially after extended firing sessions.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste and materials.
- Do not dispose of the chassis in general household waste. Instead, take it to a designated recycling

facility or contact local authorities for proper disposal methods.

Contact Information for Further Support

For further assistance or inquiries regarding safety and product use, please consult the manufacturer's website or customer support resources. Ensure that you have the product information and any relevant details ready for efficient support.

By following these safety instructions, you contribute to a safer shooting experience and maximize the performance of your ACC Premier Gen 2 System MDT Chassis. Thank you for your attention to safety.
