

# ACC Premier Gen 2 System - MDT Chassis - ACC Premier Gen2 System - Ruger American - Rimfire - RH - CCG

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The ACC Premier GEN2 is the next evolution of the industry-defining ACC Premier, integrating advancements inspired by the ACC Elite. With a taller integrated barricade stop, a thicker and more rigid forend, and precision-drilled holes for NV and Control Bridge compatibility, this chassis raises the bar for competitive shooting.

Designed with modern rimfire competitions in mind, the compact 15" forend accommodates a wide range of barrel sizes while eliminating flex and torsion for rock-solid stability on barricades and PRS props. The wide, flat profile and full-length ARCA rail provide unmatched versatility, allowing seamless mounting of bipods and tripods for superior balance and control.

Balancing your rifle is critical for rapid target acquisition and accurate follow-up shots. The ACC Premier GEN2 is fully compatible with MDT's weight system, giving you the flexibility to fine-tune your setup. Combined with highly adjustable ergonomics—cheek weld, hand position, and length of pull—you'll achieve a custom fit that enhances both comfort and precision.

Installation is fast and straightforward: simply drop your action into place and secure it with two screws—no complex gunsmithing required. At its core lies the precision-engineered V-Block bedding system, ensuring consistent contact between the action and chassis. This eliminates unwanted movement under recoil, maximizing accuracy and stability shot after shot.

With a wide range of optional accessories available, the MDT ACC Premier GEN2 Chassis System offers the precision, rigidity, and customization serious competitors demand—giving you the edge to dominate every stage.

## Attributes

- Name: [MDT Chassis - ACC Premier Gen2 System - Ruger American - Rimfire - RH - CCG](#)
- Manufacturer: [MDT](#)
- Product no.: EU2015544

# ACC Premier Gen 2 System MDT Chassis Safety Instruction Guide

## Introduction

Thank you for choosing the ACC Premier Gen 2 System MDT Chassis. This guide provides essential safety instructions to ensure the safe and effective use of your chassis. Please read this guide carefully before installation and usage. Following these instructions will help you avoid potential hazards and enhance your shooting experience.

## General Safety Guidelines

- Always handle firearms and related equipment with care and respect.
- Ensure that the chassis is compatible with your firearm model to prevent accidents.
- Regularly inspect the chassis for any signs of wear or damage before each use.
- Keep the chassis and all accessories out of reach of children and unauthorized users.
- Always wear appropriate safety gear, including eye and ear protection, when using firearms.
- Be aware of your surroundings and ensure that you are in a safe environment when handling firearms.

## Specific Safety Precautions for Use

- Ensure that the rifle is unloaded before attaching or detaching the chassis.
- Do not exceed the weight limits specified for the MDT weight system to maintain balance and stability.
- When adjusting the ergonomics, make sure that all components are securely fastened before use.
- Avoid using the chassis in extreme weather conditions, as this may affect the performance and safety of the equipment.
- Be cautious of any sharp edges or components during installation and handling.
- Always follow the manufacturer's guidelines for the use of optional accessories.

## Instructions for Installation and Usage

### 1. Installation Steps:

- Ensure that you have all necessary tools and components before beginning the installation.
- Carefully remove your action from the original stock.
- Place the action into the ACC Premier Gen 2 chassis, ensuring proper alignment.
- Secure the action in place using the two screws provided. Tighten them evenly to avoid misalignment.
- Check that the action is firmly secured and does not move.

### 2. Usage Steps:

- Adjust the cheek weld, hand position, and length of pull to suit your preferences.
- Attach any accessories, such as bipods or tripods, to the ARCA rail as needed.
- Before firing, doublecheck that the rifle is properly balanced and secure in the chassis.
- Practice regular maintenance by cleaning the chassis and inspecting for any issues after each use.

## Disposal Instructions

- Dispose of the chassis and any accessories in accordance with local regulations.
- If the chassis is damaged beyond repair, contact your local waste management facility for proper disposal methods.
- Do not dispose of the chassis in regular household waste if it contains hazardous materials.

## **Contact Information for Further Support**

For any questions or concerns regarding the ACC Premier Gen 2 System MDT Chassis, please consult your retailer or the manufacturer's website for further assistance. It is important to have access to support for any safety inquiries.

## **Conclusion**

By following these safety instructions, you can ensure a safe and enjoyable experience with your ACC Premier Gen 2 System MDT Chassis. Always prioritize safety and compliance with all relevant guidelines. Remember to regularly check for updates and recalls related to your product. Enjoy your shooting experience!
