

4-16x56 Polar T96 - 4-16x56 Polar T96 P 1.FP P4FL 1cm cw Posicon CT / Posicon CT

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

The 4-16x56 Polar T96 delivers uncompromising performance even in the fading light of day. With up to 16× magnification, it excels in both long-range hunting and precision sport shooting, while its exceptional light transmission of 96 % ensures clear visibility and razor-sharp detail when it matters most.

Equipped with a first focal plane (FFP) reticle, the scope maintains a consistent scale at any magnification. Versions with parallax adjustment either fixed at 100 m or adjustable from 30 m provide maximum flexibility for a wide range of applications — from hunting to target shooting.

The Posicon CT turret system offers clear, reliable click feedback and long-term durability, while an optional ballistic turret (ASV) allows for precise, customized ballistic compensation for advanced users.

Key Specifications:

Magnification: 4-16×

Objective Lens Diameter: 56 mm

Main Tube Diameter: 34 mm

Length: 386 mm

Weight: 810 g

Click Value: 1 cm / 100 m

Handcrafted in Germany with meticulous precision, the 4-16x56 Polar T96 stands as a benchmark for high-performance optics. Designed for demanding marksmen and hunters, it guarantees absolute reliability, exceptional clarity, and peak optical performance — from dawn's first light to dusk's final shot.

Safety Instruction Guide for the 4-16x56 Polar T96 Rifle Scope

Introduction

Thank you for choosing the 4-16x56 Polar T96 Rifle Scope. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this manual carefully before use.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the rifle scope by following all instructions provided. This product is designed for nonfood use and complies with the EU General Product Safety Regulation (GPSR).
- **Enhanced Recalls:** Stay informed about any recall notices related to this product. In the unlikely event of a safety issue, you will receive clear instructions on how to return the product or obtain a remedy.
- **Online Shopping:** If you purchased this product online, you are entitled to the same safety protections as if you bought it in a physical store.
- **Special Consumer Focus:** This product is not intended for use by children. Ensure that it is kept out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please refer to the contact information provided by your retailer or manufacturer.
- **Rapid Alerts:** Be aware of updates regarding unsafe products through the EU's Safety Gate system.

Specific Safety Precautions for Use

- **Proper Handling:** Always handle the rifle scope with care. Avoid dropping or subjecting it to strong impacts.
- **Eye Protection:** Use appropriate eye protection when using firearms equipped with this scope.
- **Environmental Conditions:** Avoid exposing the scope to extreme temperatures, moisture, or direct sunlight for prolonged periods.
- **Maintenance:** Regularly inspect the scope for any signs of damage. If any damage is found, do not use the scope until it has been repaired or replaced.
- **Mounting:** Ensure that the scope is securely mounted on the firearm before use to avoid accidents.

Instructions for Installation and Usage

- **Installation:**
 1. **Select a Suitable Firearm:** Ensure that the rifle scope is compatible with your firearm.
 2. **Mounting the Scope:**
 - Use a proper mounting system that fits your firearm.
 - Follow the manufacturer's instructions for mounting.
 - Ensure the scope is level and securely tightened.
 3. **Adjusting the Reticle:** Adjust the first focal plane reticle according to your preference and shooting conditions.
- **Usage:**
 1. **Magnification Adjustment:** Use the magnification ring to adjust the scope from 4x to 16x as needed.
 2. **Parallax Adjustment:** If your model has parallax adjustment, set it according to the distance of your target for optimal clarity.
 3. **Turret Adjustments:** Use the Posicon CT turret system for precise adjustments. Make sure to familiarize yourself with the click value of 1 cm at 100 m.

4. **Safety Check:** Always perform a safety check on your firearm before aiming and shooting.

Disposal Instructions

- **Environmental Responsibility:** Dispose of the product in accordance with local regulations regarding electronic waste and optics.
- **Recycling:** Consider recycling the scope if it is no longer usable. Check with local recycling programs for guidance.

Contact Information for Further Support

For any questions or concerns regarding the 4-16x56 Polar T96 Rifle Scope, please consult the manufacturer's website or contact your retailer for assistance.

By following these guidelines, you can ensure a safe and enjoyable experience with your 4-16x56 Polar T96 Rifle Scope. Thank you for your attention to safety.
