

3-12x42 Klassik - 3-12x42 Klassik LM L3 1cm cw Klassik CT / Klassik CT

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

The 3-12x42 Klassik from Schmidt and Bender is the most compact model in the Klassik range, engineered for hunters who demand premium optics in a lightweight, streamlined package. With its 3-12× magnification and a 42 mm objective lens, it combines excellent light-gathering capability with low profile handling for rapid target acquisition.

Thanks to its shorter length and narrower objective, the 3-12x42 Klassik allows for a lower mounting position on the rifle, enhancing ergonomics and reaction time. Its rugged construction makes it particularly suitable for demanding terrain and even integration with night-vision or clip-on devices.

Key Features:

Magnification: 3-12×

Objective Lens Diameter: 42 mm

Exit Pupil: approx. 14.0-3.5 mm — enabling fast sighting and good brightness even at higher zoom

Eye Relief: 90 mm for comfortable and safe mounting on a variety of rifles

Field of View: approx. 11.1-3.4 m at 100 m — offering wide situational awareness at low magnification and refined framing at higher zoom

First Focal Plane (FFP) reticle — ensuring the reticle scale remains accurate across the zoom range

Robust 30 mm main tube construction — built for reliability and durability in the field

Crafted in Germany with the hallmark optical and mechanical quality of Schmidt & Bender, the 3-12x42 Klassik delivers refined performance in a refined package. Whether for stalking, stand hunting, or mobile terrain use, this scope offers the clarity, flexibility, and feel of a classic optic elevated for modern demands.

Safety Instructions for 3-12x42 Klassik Rifle Scope

Introduction

Thank you for choosing the 3-12x42 Klassik Rifle Scope from Schmidt and Bender. This product is designed for hunters who require highquality optics in a compact and lightweight design. To ensure your safety and the optimal performance of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that the rifle scope is used only for its intended purpose as specified in the product description.
- Always handle firearms and related equipment with care and in accordance with local laws and regulations.
- Be aware of your surroundings and ensure that you have a clear line of sight when using the scope.
- Regularly inspect the scope for any signs of damage or wear. If any issues are detected, discontinue use immediately and consult a professional.

Specific Safety Precautions for Use

- **Magnification and Zoom:** The 3-12x magnification allows for versatile use. Be cautious when adjusting the zoom to avoid missing targets or misjudging distances.
- **Eye Relief:** Maintain a distance of 90 mm from your eye to the eyepiece to prevent injury from recoil.
- **Objective Lens Handling:** Handle the objective lens with care to avoid scratches or damage that may impair visibility.
- **Environmental Considerations:** Avoid using the scope in extreme weather conditions that may affect performance, such as heavy rain or fog.
- **Night Vision Integration:** If you are using nightvision devices, ensure compatibility and follow the manufacturer's instructions carefully.

Instructions for Installation and Usage

1. Installation:

- Ensure the rifle is unloaded before installation.
- Securely mount the scope on the rifle using appropriate rings and bases designed for a 30 mm main tube.
- Adjust the mounting position for optimal eye relief and comfort.

2. Usage:

- Before aiming, ensure that the area is clear of obstructions and that it is safe to shoot.
- Adjust the focus and zoom according to the distance of your target.
- Always use the scope in a stable position to enhance accuracy and safety.
- Regularly check zeroing adjustments to ensure consistent performance.

Disposal Instructions

- Dispose of the scope and any related materials in accordance with local regulations.
- Do not dispose of the scope in regular household waste. Check for designated electronic waste disposal facilities in your area.

Contact Information for Further Support

For questions or concerns regarding safety or performance, please consult the manufacturer's guidelines or contact your retailer.

By following these safety instructions, you can ensure a safe and enjoyable experience with your 3-12x42 Klassik Rifle Scope. Always prioritize safety and responsible use while enjoying your hunting activities.
