

# 4-16x50 Klassik - 4-16x50 Klassik LM P3 0,5cm cw BDC / Klassik CT

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

The 4-16×50 Klassik from Schmidt and Bender is a high-performance riflescope tailored for serious hunters and marksmen who demand clarity, precision and flexibility in long-range engagements. Featuring a generous magnification range of 4-16× and a 50 mm objective lens, it excels in delivering bright, detailed imaging even in challenging light conditions.

Equipped with a first focal plane (FFP) reticle, the hold points remain accurate across the full zoom spectrum—ensuring reliable shot placement whether at medium or extended distances. The 90 mm eye relief offers comfortable mounting and rapid target acquisition, and the optically refined design supports swift engagement when precision counts.

One of the standout features of the 4-16×50 Klassik is its turret system offering a 0.5 cm click value at 100 m in selected configurations—perfect for finely tuned elevation adjustments at long range. The variable parallax adjustment (from 50 m) enhances accuracy across distance, ensuring optimal performance in varied hunting setups.

Key Specifications:

Magnification: 4-16×

Objective Lens Diameter: 50 mm

Eye Relief: 90 mm

Click Value: 0.5 cm @100 m (depending on configuration)

Field of View: approx. 8.3-2.5 m @100 m

Exit Pupil: approx. 12.5-3.1 mm

Tube Diameter: 30 mm

Crafted with German precision, the 4-16×50 Klassik combines premium optics, robust mechanical design and versatile performance. It is the ideal choice for hunters and dynamic shooters who demand reliability, clarity and adaptability across a broad range of operational distances.

# Safety Instruction Guide for 4-16x50 Klassik Riflescope

## Introduction

Thank you for choosing the 4-16x50 Klassik Riflescope by Schmidt and Bender. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your riflescope. Please read this document carefully before using the product.

## General Safety Guidelines

- Ensure safe use of the riflescope by following all safety instructions.
- Be aware of potential risks associated with firearms and optics.
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Keep the riflescope out of reach of children and vulnerable individuals.
- Regularly check for recalls or safety alerts regarding the product on the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Always ensure the riflescope is securely mounted to your firearm before use.
- Do not look directly at the sun through the riflescope, as this can cause permanent eye damage.
- Avoid using the riflescope in conditions that may impair your vision, such as heavy rain or fog.
- Be cautious when making adjustments to the turrets; ensure the rifle is pointed in a safe direction.
- Regularly inspect the riflescope for any signs of damage or wear. If damaged, do not use the product and seek professional assistance.

## Instructions for Installation and Usage

### 1. Installation:

- Select a suitable mounting base compatible with your firearm.
- Securely attach the riflescope to the base, ensuring it is level and properly aligned.
- Tighten all mounting screws according to the manufacturer's specifications to ensure stability.

### 2. Usage:

- Adjust the magnification by rotating the magnification ring to your desired setting (4-16x).
- Use the parallax adjustment knob to set the parallax according to the distance of your target (starting from 50 m).
- Ensure you have a proper sight picture before taking any shots.
- Use the eye relief of 90 mm to avoid any recoil-related injuries.

### 3. Maintenance:

- Clean the lenses with a soft, lint-free cloth to remove dust and fingerprints.
- Store the riflescope in a dry, cool place when not in use.
- Regularly check for proper functioning and recalibrate as necessary.

## Disposal Instructions

- Follow local regulations for the disposal of optical devices.
- Do not dispose of the riflescope in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the safety and use of the 4-16x50 Klassik Riflescope, please reach out to your local retailer or the manufacturer's customer service. Always refer to the product's warranty and support information for assistance.

By adhering to these safety guidelines, you can ensure a safe and enjoyable experience with your 4-16x50 Klassik Riflescope. Thank you for prioritizing safety and responsible usage.
