

# 4-16x50 Klassik - 4-16x50 Klassik LM A7 0,5cm cw Klassik CT / Klassik CT

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

The 4-16×50 Klassik from Schmidt and Bender is a high-performance riflescope tailored for serious hunters and marksmen who demand clarity, precision and flexibility in long-range engagements. Featuring a generous magnification range of 4-16× and a 50 mm objective lens, it excels in delivering bright, detailed imaging even in challenging light conditions.

Equipped with a first focal plane (FFP) reticle, the hold points remain accurate across the full zoom spectrum—ensuring reliable shot placement whether at medium or extended distances. The 90 mm eye relief offers comfortable mounting and rapid target acquisition, and the optically refined design supports swift engagement when precision counts.

One of the standout features of the 4-16×50 Klassik is its turret system offering a 0.5 cm click value at 100 m in selected configurations—perfect for finely tuned elevation adjustments at long range. The variable parallax adjustment (from 50 m) enhances accuracy across distance, ensuring optimal performance in varied hunting setups.

Key Specifications:

Magnification: 4-16×

Objective Lens Diameter: 50 mm

Eye Relief: 90 mm

Click Value: 0.5 cm @100 m (depending on configuration)

Field of View: approx. 8.3-2.5 m @100 m

Exit Pupil: approx. 12.5-3.1 mm

Tube Diameter: 30 mm

Crafted with German precision, the 4-16×50 Klassik combines premium optics, robust mechanical design and versatile performance. It is the ideal choice for hunters and dynamic shooters who demand reliability, clarity and adaptability across a broad range of operational distances.

# Safety Instruction Guide for the 4-16x50 Klassik Riflescope

## Introduction

Thank you for purchasing the 4-16x50 Klassik Riflescope by Schmidt and Bender. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your riflescope. Please read this document carefully to understand how to operate and maintain your product safely.

## General Safety Guidelines

- Ensure that all users of the riflescope are familiar with its operation and safety features.
- Always handle the riflescope with care to avoid damage.
- Store the riflescope in a safe, dry place, away from extreme temperatures and humidity.
- Inspect the riflescope regularly for any signs of damage or wear. Do not use a damaged riflescope.
- Follow all local laws and regulations regarding the use of firearms and riflescopes.
- Be aware of your surroundings and ensure a safe shooting environment.

## Specific Safety Precautions for Use

- Always treat the riflescope as if it is loaded, even when it is not.
- Never point the riflescope at anything you do not intend to shoot.
- Keep your finger off the trigger until you are ready to shoot.
- Use the riflescope only for its intended purpose—longrange shooting and hunting.
- Ensure that the riflescope is securely mounted to the firearm before use.
- Avoid using the riflescope in conditions of poor visibility or inclement weather unless necessary.
- Be cautious of recoil and ensure a proper shooting stance to maintain control.

## Instructions for Installation and Usage

### 1. Mounting the Riflescope:

- Ensure that the firearm is unloaded before mounting the riflescope.
- Attach the riflescope to the firearm using the appropriate mounting rings and bases.
- Tighten the mounting screws securely, but avoid overtightening, which may damage the scope or firearm.

### 2. Adjusting the Riflescope:

- Set the magnification to your desired level within the 4-16x range.
- Use the parallax adjustment feature to focus on your target at varying distances.
- Adjust the elevation and windage turrets according to your shooting needs. Remember that the click value is 0.5 cm at 100 m.

### 3. Using the Riflescope:

- Position your eye at the designated eye relief (90 mm) to avoid recoil injury.
- Look through the riflescope and ensure that the reticle is clear and properly aligned with your target.
- Take your time to acquire your target and ensure a steady aim before pulling the trigger.

### 4. PostUse Care:

- Clean the lenses with a soft, lintfree cloth to remove dust and fingerprints.
- Store the riflescope in a protective case when not in use to prevent scratches and damage.

## **Disposal Instructions**

- When disposing of the riflescope or any associated components, follow local regulations for electronic waste and materials.
- Do not dispose of the riflescope in regular household waste.
- Consider recycling options available in your area to minimize environmental impact.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding your 4-16x50 Klassik Riflescope, please refer to the manufacturer's contact information provided on the product packaging or visit the official website for assistance.

## **Conclusion**

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your 4-16x50 Klassik Riflescope. Always prioritize safety and responsibility when using firearms and related equipment. Thank you for choosing Schmidt and Bender.
