

8x56 Klassik LM L3 1cm cw Klassik CT / Klassik CT

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

The 8x56 Klassik embodies reliability and simplicity in a premium fixed-power riflescope. With its 56 mm objective lens, it delivers exceptional light-gathering capability, producing bright, high-contrast images even under challenging lighting conditions. Its fixed 8x magnification makes it the only fixed-power scope in the premium class, providing consistent performance without compromise.

Ideal for tasks such as fox hunting from a feeding station or traditional driven hunts, the 8x56 Klassik allows precise adjustments in both elevation and windage thanks to its generous adjustment range. Its robust, weatherproof housing ensures the scope can withstand the harshest conditions while maintaining accuracy and dependability.

Key Features:

Fixed Magnification: 8x
Objective Lens Diameter: 56 mm
Exceptional light transmission for low-light conditions
Large elevation and windage adjustment range
Weatherproof, rugged construction
Premium German craftsmanship

For hunters who value tradition, experience, and uncompromising accuracy, the 8x56 Klassik is the ultimate expression of a reliable, precise riflescope.

Safety Instruction Guide for the 8x56 Klassik Riflescope

Introduction

Thank you for choosing the 8x56 Klassik riflescope. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this document carefully before using the riflescope to understand the precautions and guidelines necessary for safe operation.

General Safety Guidelines

- Ensure that the riflescope is used only for its intended purpose.
- Always handle the riflescope with care to avoid damage.
- Keep the riflescope out of reach of children and vulnerable individuals.
- Regularly inspect the riflescope for any signs of damage or wear.
- If you notice any defects or irregularities, discontinue use and seek assistance.
- Follow all local laws and regulations related to the use of firearms and riflescopes.

Specific Safety Precautions for Use

- **Avoid Direct Eye Exposure:** Never look directly into the riflescope while it is pointed at a bright light source, as this may cause eye damage.
- **Secure Mounting:** Ensure that the riflescope is securely mounted to the firearm to prevent accidents due to improper alignment or detachment.
- **Use in Safe Environments:** Use the riflescope in safe environments, away from populated areas and where it is legal to discharge a firearm.
- **Proper Handling:** Always treat the firearm as if it is loaded and keep your finger off the trigger until ready to shoot.
- **Weather Conditions:** Be aware of weather conditions that may affect visibility and the performance of the riflescope. Avoid using it in extreme weather without proper precautions.

Instructions for Installation and Usage

1. Installation:

- Select a suitable mounting location on your firearm.
- Use appropriate mounting rings or bases designed for the riflescope.
- Tighten all screws securely, but avoid overtightening, which may damage the scope or firearm.
- Ensure the riflescope is level and aligned with the barrel of the firearm.

2. Usage:

- Adjust the eyepiece for optimal focus before looking through the scope.
- Use the elevation and windage adjustments to zero the riflescope according to your shooting needs.
- Maintain a stable shooting position to ensure accuracy.
- Always verify your target and what lies beyond it before shooting.

Disposal Instructions

- Dispose of the riflescope and its components in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the riflescope is damaged beyond repair, consult local waste management for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or assistance regarding the 8x56 Klassik riflescope, please refer to the manufacturer's contact information provided with the product packaging.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your 8x56 Klassik riflescope. Thank you for your attention to these important safety measures.
