

3-20x50 PM II Ultra Short - 3-20x50 PM II Ultra Short LP TR²ID 1cm cw DT27 MTC LT / ST ZC CT RAL 8000

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

The 3-20×50 PM II Ultra Short from Schmidt and Bender is a compact yet powerful riflescope engineered for high-performance engagements across medium to long distances. With its 3–20× magnification range and a 50 mm objective lens, it offers outstanding optical clarity and flexibility in a streamlined form factor.

Constructed around a robust 34 mm main tube, it maintains a length of approximately 340 mm and weighs around 900 g, striking an excellent balance between size and performance—ideal for mounting on compact platforms without compromising optics.

Its field of view spans roughly 13.0–2.1 m at 100 m, providing broad situational awareness at lower magnification and refined detail at the high end. The exit pupil ranges around 11.4–2.5 mm, and the eye relief is approximately 90 mm, supporting comfortable shooting in varied positions while maintaining strong light-gathering even as light fades.

Advanced features include first focal plane (FFP) illuminated reticle options, side parallax adjustment (from approx. 25 m to infinity), and a low-profile elevation turret optimized for tactical precision.

Key Specifications:

Magnification: 3–20×
Objective Lens Diameter: 50 mm
Main Tube Diameter: 34 mm
Field of View: approx. 13.0–2.1 m @100 m
Exit Pupil: approx. 11.4–2.5 mm
Eye Relief: approx. 90 mm
Length: approx. 340 mm
Weight: approx. 900 g

With precision optics, compact build, and rugged mechanical design, the 3-20×50 PM II Ultra Short is built for serious shooters who demand premium performance in a versatile package.

Safety Instruction Guide for the 3-20x50 PM II Ultra Short Riflescope

Introduction

Thank you for choosing the 3-20x50 PM II Ultra Short Riflescope from Schmidt and Bender. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read this manual thoroughly before using the riflescope to understand potential hazards and how to mitigate them.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the riflescope by following all instructions provided in this manual. This product is designed for highperformance engagements and should be used responsibly.
- **Enhanced Recalls:** Stay informed about any product recalls. If you receive a recall notice, follow the instructions provided to return or remedy the product.
- **Online Shopping:** If purchased online, ensure that the retailer complies with safety requirements similar to those of physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors.
- **EU Contact Point:** For any safety inquiries, refer to the appropriate EUbased contact as indicated by the retailer.
- **Rapid Alerts:** Regularly check for updates on product safety through the EU Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - The riflescope is a precision optical device. Improper handling can lead to accidents or injuries.
 - Ensure that the riflescope is securely mounted to prevent it from falling or detaching during use.
- **Avoiding Hazards:**
 - Always handle the riflescope with care. Avoid dropping or impacting the device.
 - Do not look directly at the sun through the riflescope, as this can cause severe eye damage.
 - Ensure that the riflescope is used in a safe environment, away from children and unauthorized users.
- **AgeSpecific Warnings:**
 - This product is intended for use by adults only. Ensure that only qualified individuals operate the riflescope.

Instructions for Installation and Usage

- **Installation:**
 - Ensure that the mounting platform is compatible with the riflescope specifications.
 - Securely attach the riflescope to the mounting platform using appropriate tools. Follow the manufacturer's instructions for your specific mounting system.
 - Check that the riflescope is aligned correctly before use.
- **Usage:**

- Before using the riflescope, familiarize yourself with its features and adjustments.
- Adjust the magnification and parallax settings according to your shooting distance and environment.
- Maintain a proper shooting stance and ensure that your eye is positioned correctly to utilize the eye relief of approximately 90 mm.
- Always ensure that the area is clear of obstructions and that you are aware of your surroundings before taking a shot.

- **Maintenance:**

- Regularly inspect the riflescope for any signs of damage or wear.
- Clean the lenses with a soft, lintfree cloth to maintain optical clarity. Avoid using harsh chemicals or abrasive materials.
- Store the riflescope in a protective case when not in use to prevent damage.

Disposal Instructions

- **Environmental Considerations:**

- Do not dispose of the riflescope in regular household waste. Follow local regulations for the disposal of optical devices and electronics.
- If the product is no longer usable, consider recycling options available in your area.

Contact Information for Further Support

For any questions or additional support regarding the 3-20x50 PM II Ultra Short Riflescope, please refer to the retailer or manufacturer contact details provided at the time of purchase.

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your 3-20x50 PM II Ultra Short Riflescope. Always prioritize safety and responsible usage. Thank you for your attention.
